

ASLG: AMERICAN SIGN LANGUAGE

ASLG 1005 American Sign Language and Deaf Culture I (4 Credits)

This course will focus on the practice of American Sign Language (ASL), including foundational grammatical structures and necessary vocabulary for basic understanding and usage of the language. In addition, students will learn about the history, heritage, and culture of the Deaf in America. Students should be available for synchronous Microsoft Teams practice sessions once per week or biweekly. Special accommodations will be made for deployed military students. This course was previously CHS 251244 American Sign Language I.

Attributes: Foreign Language Gen Ed, *World Languages Gen Ed, Liberal

ASLG 1010 American Sign Language II (4 Credits)

This course is designed to be a continuation of ASL I. Students will build on and sharpen basic linguistic tools learned in ASL I, while also employing new tools that will enhance description, concept and use of space. Along with fingerspelling, numbers, and new vocabulary, students will focus on classifiers, spatial agreement, idiomatic expressions, and poetry to enhance their understanding of ASL signs and phrases. Prerequisites: ASLG 1005.

Attributes: Foreign Language Gen Ed, *World Languages Gen Ed, Liberal
