POLICIES AND PROCEDURES

These policies and procedures align with the mission of the college, and have been developed with appropriate consultation across the college. They are intended to mitigate institutional risk, enhance effectiveness, and support the college’s compliance with federal, state, SUNY, and local laws and regulations.

As an institution of higher education that receives funding under Title IV; a state entity; and an institution of SUNY; Empire State College adheres to all federal, state and SUNY regulations. Where the college does not have a policy specific to a situation, additional references are listed that direct users to resources for regulations outside of the college’s publications. Additionally, individual policies reference state and SUNY regulations for information and guidance beyond that provided in the policy.

Please Note: The policies, procedures and guidelines in this section were current at the time of this catalog’s publication.

STUDENT ACADEMIC APPEALS POLICY AND PROCEDURES

Students are responsible for reviewing and abiding by the college’s academic policies and procedures. Students are responsible for their academic choices and for meeting the standards of academic performance established for each study or course in which they enroll.

Faculty are responsible for establishing methods and criteria for evaluation and evaluating a student’s performance in learning contracts, courses, final projects, exams, prior learning assessments, etc. Evaluations of students, awards of academic credit, and other academic judgments are based upon academic performance and the application of relevant academic policies.

Academic judgments made by faculty and other academic professionals are recorded in college documents, such as:

• Course outcomes, and grades;
• Evaluations of prior learning; and
• Written academic decisions made by assessment committees, academic review committees, or other academic staff.

Students may appeal an academic decision if they believe that an academic judgement was unfair or that the college’s academic policies were not followed or were applied incorrectly. Both student and instructor or decision-maker involved in the appeal have a right to a meaningful opportunity to be heard and to respond to information and documentation presented.

Grades on individual assignments may not be appealed.

Procedures for Appeals of Academic Decisions

The dean or designee for the program where an academic decision was made is responsible for administering the appeals process.

If the relevant administrator made the original academic decision while serving in the role of mentor, instructor, or evaluator, an appropriate administrator will be assigned to the administrative role in the appeals process.

The locus of appeal is with the program or academic unit where the original academic decision was made. For example, if a student enrolls in a Nursing course and appeals the course outcome, the appeal is reviewed by the School of Nursing and Allied Health.

Questions about the appropriate focus of an appeal are resolved by the provost or designee.

The college appeals process includes an informal resolution procedure, as well as a procedure for formal appeal of an academic decision. The college expects the student to attempt an informal resolution before making a formal appeal.

A. Procedure for Informal Resolution

The informal resolution process includes two possible steps:

1. The student should discuss the matter directly with the party who made or represented the academic decision (instructor, mentor, assessment committee representative, assessment professional, etc.) and make a reasonable effort to resolve the issue. The student must begin such an informal resolution process within 20 business days of receiving the academic decision.

2. If no resolution is reached through the first step, or if the student is uncomfortable trying to resolve the issue directly with the appropriate party, the student should request informal resolution by the relevant dean or associate dean. This step must occur within 30 business days of the student’s receipt of the original academic decision. The dean or associate dean does not play a decision-making role; rather, he or she facilitates a resolution when possible.

B. Procedure for Formal Appeal

1. A student may initiate a formal appeal of an academic decision within 40 business days of receipt of the decision. The student submits a written appeal to the school’s dean or designee or program administrator and includes in it:

   • A full description of the academic decision and the basis for the student’s appeal for reconsideration;
   • A statement of the remedy the student is seeking;
   • Any supporting documents, such as:
     • Learning contract/syllabus, and course outcomes and evaluations;
     • Evaluations of prior learning; and
     • Written academic decisions made by assessment committees, academic review committees, center or program administrators, or other academic staff.
   • Information on when and with whom the student attempted an informal resolution.

2. Initial Review

   a. Based on its initial review, the school’s dean or designee may return an appeal to the student for further information or clarification. If the appeal is returned for further information or clarification, the student must submit the requested information or revision within 10 business days for the appeal to be heard.

   b. Upon review of the initial or resubmitted appeal, the dean or designee may determine that there is no claim of unfairness or incorrect application of college policies is made or information to support such a claim is not included and rejects the appeal and/or refers the student to more appropriate policies, copying the primary mentor/ academic advisor.
c. The dean or designee should convey a decision not to hear an appeal within five business days of receiving the initial or resubmitted appeal.

d. If the appeal is accepted, the dean or designee transmits the appeal to the school's AAHC and provides a copy to any other relevant parties. The dean or designee should take these steps within five business days of receiving a complete appeal. He or she ensures that the AAHC review takes place in a timely manner.

3. AAHC Hearing

a. Each school will ensure a fair and timely hearing of the information and produce an accurate record of the hearing. AAHC consideration of the appeal focuses only on the student's claim of unfairness or incorrect application of college policies.

b. The AAHC may obtain additional relevant information before or after a hearing.

c. The AAHC should schedule a hearing within 20 business days of the acceptance or of an appeal to consider information relevant to the appeal. A hearing may take the form of a meeting, conference call, or video conference, at the discretion of the AAHC.

d. The chair of the AAHC ensures a fair and timely consideration of the information and provides an accurate record of the hearing to the dean or designee.

e. The student may participate in the hearing and present his or her case directly to the AAHC. Likewise, the faculty or staff member responsible for the original decision also may participate in the meeting and present relevant information. The student and the faculty/staff member meet separately with the committee.

f. A student may have an advisor at the meeting; however, the advisor may not participate in the hearing.

4. Following a hearing, the AAHC deliberates in closed session. Decisions are made by majority vote unless otherwise noted. The AAHC may:

- Uphold the original decision;
- Refer the decision back to the individual or committee making the original academic decision for reconsideration based upon AAHC findings regarding fairness and/or application of college policy;
- Revise or overturn the original decision, which requires a unanimous vote by the AAHC; or
- Refer to an appropriate content expert for evaluation, which requires a unanimous vote by the AAHC.

The AAHC should provide a written report to the dean within five business days of the hearing.

The dean notifies the student of the decision, copying the primary mentor/academic advisor, and includes a brief explanation.

5. Reconsideration by original decision-maker. If this is the outcome of the hearing, the dean refers the decision back for reconsideration, the individual, or committee making the original decision reviews the situation and may either affirm the original decision or issue a new decision. The individual or committee should convey the result in writing to the student and other relevant parties within 20 business days of the referral.

6. Appeal of an Academic Appeals and Honesty Committee decision. Decisions made by the AAHC may be appealed to the provost or designee.

a. The student must submit any further appeal in writing to the provost within 20 business days of transmittal of an AAHC decision or a reconsideration decision, and must include an explanation or justification for the appeal.

b. The provost or designee should notify the other relevant parties within seven days of receiving an appeal. Those parties normally provide any written response within 10 business days.

c. The provost or designee should provide a written decision and rationale within seven days of receiving responses to the appeal. The written decision is conveyed to the student with copies to the other relevant parties.

d. The provost's decision is final.

7. A student's status does not change while an appeal is under consideration. If a student was dismissed, he or she remains dismissed. If he or she is in academic warning, the warning stands.

ACADEMIC HONESTY POLICY AND PROCEDURES

When facing a breach of academic honesty expectations, a faculty member exercises her/his academic judgment in light of the particular circumstances and the student's academic history. Consultation with the dean, associate dean, chair, and/or primary mentor/academic advisor throughout the process is encouraged.

When faced with a potential breach of academic honesty, the faculty member:

1. Reviews this policy and procedures statement.
2. Documents the concern to the extent possible.
3. Consults student academic services, or equivalent, to ascertain if there were previous incidents.
4. Raises the concern quickly and directly with the student in writing, outlining how the student has breached the academic honesty standards, and copying the student's primary mentor/advisor and student academic services, or equivalent. This should typically occur within 20 business days.
5. Determines the appropriate response, which may include responding to the breach while continuing to work with the student in the course, assigning an F grade, or not providing a credit recommendation for a PLA component.
6. If the faculty member continues to work with the student in the course, she also may do one or more of the following:

- Provide developmental advice to the student on academic expectations.
- Require that the student consult specific research writing or other academic skills development resources.
- Require that the student rewrite the assignment(s), meeting standards for academic honesty.
- Require that the student complete additional assignment(s) that meet standards for academic honesty.
- Deduct points or fail the student on the assignment.

Having provided guidance to the student, the faculty member remains alert to the possibility of further breaches.
If the faculty member determines that the appropriate response is to assign an F for the course, the student loses access to academic services related to the course including the online learning site for the course. A student who is denied a credit recommendation for dishonesty for a PLA may not resubmit the same or similar component for evaluation. A student who receives a grade of F for a course or does not receive PLA credit may appeal that decision through the college’s Student Academic Appeals Policy and Procedures.

**Serious Acts of Dishonesty**

Serious acts of dishonesty include but are not limited to plagiarism, stealing, selling, or buying of an examination or paper; the presentation of the work of another as one’s own, copying examination answers from another source or individual, having someone else do your work either on or off-line, and repeated acts of plagiarism, cheating, misrepresentation, and misappropriation.

**Possible Penalties**

Serious or continued breaches of academic honesty may constitute grounds for academic warning or dismissal from the college. The following penalties may apply:

- **Academic Warning:** An academic warning for academic dishonesty is a formal written notice from the dean to the student providing conditions for continued enrollment in the college. It describes the nature of the breach of academic honesty standards, expectations for future behavior, and any specific educational requirements. The academic warning for academic dishonesty is included in the student's official college record. A breach of academic honesty expectations after an academic warning for academic dishonesty normally leads to dismissal.

- **Academic Dismissal:** An academic dismissal for academic dishonesty remains active on the student's academic record until graduation. While the college retains information internally about the academic warning after graduation, the college clears the official record. If the student pursues additional study with the college, the information is available to college personnel who may consider it if the student breaches academic honesty expectations again.

- **Academic Dismissal:** An academic dismissal for academic dishonesty is an indefinite separation from the college. The formal written notice describes the nature of the breach of academic honesty expectations. The academic dismissal for academic dishonesty is included in the student’s official college record.

**Review of Serious Cases of Dishonesty**

If a breach of academic honesty is reported, and if the faculty member, primary mentor/advisor, or dean or designee believes that it is serious enough to warrant an academic warning or dismissal, s/he refers the case to the dean or designee of the student’s home school or program. He/she may:

1. Refer the case to the academic appeals and honesty committee (AAHC) for a recommendation on academic warning or academic dismissal.

2. Recommend, in consultation with the student’s primary mentor/advisor, additional educational activities, and/or provide developmental advice.

**AAHC procedures as are as follows:**

1. When the dean or designee refers the case to the AAHC, he/she notifies the student in writing within 10 business days of receiving the copy of the notice to the student from the faculty member. The dean’s notice provides the student the opportunity to respond in writing to the AAHC.

2. The student has 10 business days to submit any written response to the AAHC.

3. The AAHC considers the student’s response in its review. The AAHC may obtain additional relevant information before or after the committee meets to review the case.

4. The AHC should schedule a meeting to consider relevant information within 20 business days of receiving an academic dishonesty case. A meeting may take the form of a face-to-face meeting, conference call or video conference, at the discretion of the AAHC.

5. The chair of the AAHC ensures a fair and timely consideration of the information and provides an accurate record of the meeting to the dean.

6. The student may participate in the meeting and present his or her case directly to the AAHC. Likewise, the individual(s) referring the case also may participate in the meeting and present relevant information. The student and the individual referring the case meet separately with the committee.

7. A student may have an advisor at the meeting; however, the advisor may not participate in the meeting.

8. Following the meeting, the AAHC deliberates in closed session. Decisions are made by majority vote. The AAHC may:

   - Decide that a penalty is unwarranted;
   - Recommend that the dean or designee issue an academic warning; or
   - Recommend that the dean or designee dismiss the student from the college.

9. Within five business days of the hearing, the AAHC transmits its recommendation and brief rationale in writing to the dean or designee.

10. After reviewing the AAHC’s recommendation, the dean or designee may decide to issue an academic warning or dismissal as appropriate to the situation, or may issue another decision.

11. The dean or designee provides to the student a written notice of her/his decision in the case within five business days of receiving the AAHC recommendation, copying the primary mentor/academic advisor. The written notice specifies the effective date of the action and a copy is retained.

**Reinstatement After Dismissal for Academic Dishonesty**

For the dean or designee to consider reinstatement, a student must present convincing written evidence that s/he has come to value the standards for academic honesty and a written affirmation that s/he agrees to follow the college’s Academic Honesty Policy.

The dean or designee of the student's school or program is responsible for acting on requests for reinstatement after academic dismissal. Students are not eligible for reinstatement for at least 16 weeks or one term, whichever is longer, after an academic dismissal.

Students who are academically dismissed a second time for academic dishonesty are not eligible for reinstatement.

- If the dean or designee reinstates a student, he/she places the student in warning status.

- The dean or designee also may establish terms and conditions for re-enrollment.
A complete application consists of the following:

1. Application Form
2. Official transcripts – Official undergraduate and graduate transcripts from all institutions attended are submitted to the Admissions office. Transcripts from a non-U.S. institution must be evaluated by a member organization of the National Association of Credential

Effect on Enrollment Status

The student must submit a withdrawal request in writing by completing a withdrawal form available on the Office of the Registrar's website (http://www.esc.edu/withdrawal/).

Effect on Satisfactory Academic Progress

A withdrawal that results in a change from full- to part-time enrollment status can jeopardize the student's financial aid eligibility. See the Empire State College statements on Eligibility for New York State Financial Aid and Eligibility for Federal Financial Aid.

Effect on Enrollment Status

The effective date of a withdrawal may affect the full- or part-time enrollment status of the student. For the purpose of establishing enrollment status, enrolled credits are the number of registered credits after day 28 of the enrollment term. For example, a student who first enrolls for 12 credits and withdraws from one 4-credit study on or before day 28 remains enrolled for only 8 credits and is no longer considered full time. If the student withdraws after day 28, he or she is considered full time.

A withdrawal that results in a change from full- to part-time enrollment status can jeopardize the student's financial aid eligibility. See the Empire State College statements on Eligibility for New York State Financial Aid and Eligibility for Federal Financial Aid.

Effect on Satisfactory Academic Progress

The effective date of a withdrawal also affects the calculation of satisfactory academic progress. For purposes of calculating academic progress, “credits attempted” is the number of registered credits after day 28 of the enrollment term. Thus, the date of withdrawal affects whether the credits are counted in the number of credits attempted. For example, if a student first enrolls for 12 credits and then withdraws from one 4-credit study on or before day 28, satisfactory progress is calculated on 8 credits attempted. If the student withdraws after day 28, satisfactory progress is calculated on 12 credits attempted.

For information on the effect on financial aid eligibility, see the statements on Eligibility for New York State Financial Aid and Eligibility for Federal Financial Aid.

ADDITIONAL INFORMATION

The school for Graduate Studies offers many advanced certificate programs. While a certificate can be completed as a standalone degree, you may want to complete a certificate while completing a master’s degree as a way of enhancing your master’s and earning two credentials at the same time. If considering adding a certificate program, you should discuss this with your mentor. Some, or all, of the certificate courses may be used in your master’s program depending on which program you are in and where you are in that program.

It is important to note that if completing both an advanced certificate and a master’s degree at the same time, financial aid is not available for credits taken beyond the total number required for the master's degree.

To add a certificate program, you must apply (http://www.esc.edu/GradApply/) and pay the $50 orientation fee.

ADMISSION POLICY

Graduate Degree Programs

Admission to the graduate degree programs at Empire State College is selective. Criteria for admission includes:

• Documented completion of a bachelor’s degree from a regionally accredited institution.
• An appropriate correlation between the candidate’s objectives and the particular graduate program to which he or she is applying.
• Evidence of the candidate’s preparation to pursue the subject matter and the ability to meet the academic demands of the program to which he or she is applying, including completion of any required prerequisites.

The dean of the School for Graduate Studies, upon the recommendation of the graduate faculty, makes the final decision regarding admission.

Advanced Certificates

A criterion for admission is documented completion of a bachelor’s degree from a regionally accredited institution.

Applicants to the advanced certificate programs will be admitted once all required application materials are submitted.

Empire State College admits students without regard to the race, gender, disability, religion or national origin.

Applicants must complete the admissions process within one year of beginning the process. After one year, any application materials received by the Admissions office will be purged.

All graduate programs are term based. Term options for initial enrollment are specific to the degree or certificate to which a student has been accepted (fall, spring, summer).

Admitted applicants may enroll initially in the graduate program within three calendar years from the date of their admission. Those who wish to initiate enrollment after this time must reapply for admission.

An applicant who is denied admission may apply again (to any Empire State College graduate degree program) after a period of one year from the prior date of application. Applicants who wish to appeal denial of admission may do so in a letter to the dean of the School for Graduate Studies.

ADMISIIONS: APPEALING A DENIAL PROCEEDURE

Applicants wishing to appeal an admission decision must do so in a letter to the dean of the School for Graduate Studies. The letter should indicate important qualifications, which the student feels they demonstrated in their application, that show strong potential for success in graduate study. This reason alone can be used to appeal an admission decision. The appeal can request that the dean review the application or that the one-year waiting requirement be waived so the applicant can apply for the next available term. If the applicant feels they can develop a stronger application with more time, they should request a waiver of the time period. Requests for both will not be considered. Therefore, the applicant must specify whether they are appealing the decision or the waiting period for reaplication.

FRESH START POLICY

In certain circumstances, a graduate student who performed poorly in a previous matriculation may request a Fresh Start when matriculating in a new degree or certificate program. To be eligible for a fresh start, a student must be applying for, or matriculated in, a new graduate degree or certificate. A student must request a Fresh Start at the time of application or during the student’s first term of enrollment in the new degree or certificate program from the appropriate school’s dean, or designee. Approval of a Fresh Start is at the sole discretion of the dean, or designee. Additionally, the dean of the appropriate school, or designee, may at his or her sole discretion grant a Fresh Start at the time of reinstatement for students who are being reinstated into a degree or certificate program after an academic dismissal. It is important to note that the Fresh Start policy does not impact calculations for Satisfactory Academic Progress related to financial aid eligibility.

Appeals

An explanation of the appeals process is in the Academic Appeals Policy and Procedures.

The Student Conduct Policy sets behavioral standards for Empire State College students and defines the relationship between the college and its students. It affirms values essential to promoting individual intellectual and personal development and for creating an effective learning community. Empire State College expects students to conduct themselves in a responsible manner that is respectful of the rights, well being and property of all members of the college community and that supports the college's educational mission. This policy complies with section 6450 of the Educational Law and section 535 of the Rules of the Board of Trustees of the State University of New York.

Students are expected to:

- Represent themselves and any documentation that they may present to the college in an honest manner;
- Respect college property and the activities conducted at college facilities or college-sponsored events; and
- Uphold college policies, SUNY policies, and all applicable laws.
Empire State College students should expect the same degree of civility and respect from other students, faculty, and staff.

Scope
A student is a person admitted or enrolled at Empire State College. The college has an interest in student conduct, which occurs during a student’s matriculation or enrollment at the college, including any breaks in enrollment permitted by college policy. Students are responsible for their own behavior and the behavior of their guests.

The college does not normally pursue alleged conduct violations that occur away from Empire State College facilities or events, or that are not associated with the student’s relationship with Empire State College. However, in situations when the safety of members of the college community may be endangered, the college may review such violations pursuant to the policy on student conduct.

College Regulations
The following behaviors by a student, or any guest of a student, whether acting alone or with any other persons, violate the policy on student conduct:

1. Conduct that threatens or endangers the mental health, physical health or safety of any person or persons, or causes actual harm, including: *Physical harm or threat of physical harm such as physical abuse, sexual assault or coercion, harassment and intimidation, whether physical, verbal (oral or written) or nonverbal
2. Dishonest conduct not covered by the Empire State College Academic Honesty Policy and Procedures, including forgery, alteration, fabrication or misuse of identification cards, records, grades, diplomas, college documents or misrepresentation of any kind to a college office or official
3. Disorderly conduct that interferes with the rights of others
4. Intentional or reckless disruption or interference with the activities of the college or its members

6. Vandalism or intentional or reckless damage to personal or college property
7. Unauthorized entry, use, or occupation of college facilities or the unauthorized use or possession of college equipment

Rights of the Parties
Students are entitled to equal care and fairness in the application of the policy on student conduct. A student accused of a breach of student conduct and others in the college community have equally important interests. Thus, the college takes into account the interests of all parties in order to reach a fair resolution.

1. Each party has the right to be informed of his or her rights through receipt of a copy of this policy.
2. Each party has the right to receive relevant information and documentation, including information that is favorable to the student accused of a violation or that may indicate that he or she may not be responsible.
3. Each party has the right to a meaningful opportunity to be heard and to respond to the information and documentation presented.

Consideration of Information
In both formal and informal investigations of complaints and concerns, the college may review and consider relevant information about prior complaints and their outcomes and informal steps toward changing the behavior. The college will not include information about conduct complaints for which a student was found not responsible.

Interim Suspension
1. Interim suspension is used only in the following circumstances:
   - To ensure the safety and well-being of members of the community or preservation of college property;
   - To ensure the student’s own physical or emotional safety and well-being;
   - If the student poses a definite threat of disruption of, or interference with, the normal operations of the college.
2. The dean or provost’s designee may place a student on interim suspension upon making a determination that such an action is necessary to maintain safety and order. The dean or provost’s designee normally consults with the provost and/or judicial officer before taking such action. The interim suspension remains in effect until responsibility and sanctions have been determined and any appeals have been resolved.
3. Upon placing the student on interim suspension, the dean or provost’s designee immediately forwards a formal complaint to the judicial officer. Consequently, the dean or provost’s designee is a party to the complaint.
4. The judicial officer assembles a Student Conduct Committee as outlined, and conducts the hearing within 15 calendar days of the notice to the student of the interim suspension.
5. A student placed on interim suspension may request reconsideration in writing to the dean or provost’s designee. The student must provide evidence that he or she is not a risk to safety and order. The dean or provost’s designee reviews the request and considers the information the student provides. If the dean or provost’s designee considers and sustains the suspension, the student may appeal to the provost.

Informal Resolution
Location, program, and functional staff (Financial Aid, Student Accounts, Business Services, Admissions, etc.) are expected to resolve issues around student behavior informally through discussion and advisement before moving to formal complaints. Any resolution reached through this process is binding. Staff summarize in writing both informal resolutions reached with a student, as well as attempts to resolve issues informally and send that summary to the student and any other relevant parties. In some cases, it is appropriate to move directly to a formal complaint.
**Formal Complaints**
The Office of Academic Affairs is responsible for administering formal student conduct procedures. A staff member within the Office of Academic Affairs serves as the college's judicial officer.

The college uses the procedures that follow only if there is a formal allegation of a breach of student conduct as defined in this policy. The procedures support investigation of alleged misconduct and hearings are an extension of that investigation and not trials.

The college's standard for finding a student responsible for a violation of the policy on student conduct is that there is a preponderance of evidence supporting the complaint.

There are three possible formal sanctions. The sanctions of expulsion and suspension result in a loss of good standing with the college. Repeated violations may be a basis for determining that a sanction of suspension or expulsion from the college is warranted.

**Expulsion:** A student who is expelled from the college for disciplinary reasons is permanently excluded from all college activities, functions, facilities, and buildings, and may not use any college resources.

**Suspension:** A student who is suspended from the college is excluded from all college activities, functions, facilities, and buildings, and may not use any college resources for the period of the suspension. The student is restored to good standing at the end of the suspension period.

**Written Warning:** A written warning describes the breach of conduct and directs the student not to repeat the conduct in question. A written warning indicates that the student has damaged his or her relationship with the college, but does not carry a loss of good standing. A written warning issued for a breach of conduct will be reviewed when considering any future breaches of conduct.

A suspension or written warning may be accompanied by restrictions on the use of specific college resources or facilities (e.g., use of computer resources). A restriction may be temporary or permanent. Information defining such restrictions must be included in the written notice to the student.

In addition to the sanctions specified above, the college may require the student to make restitution or compensate for any loss, damage or injury.

**Procedures**

**Formal Complaint**
Any member of the college community may file a complaint alleging a breach of student conduct. The complainant(s) submits a signed, written complaint to the judicial officer within 30 calendar days of the occurrence of the event or discovery thereof. The complaint must describe the alleged violation and include any available documentation/information. The complaint may include information about previous behavior that demonstrates a recurrent pattern of behavior that is relevant to the current conduct violation. In the initial review (described below), the judicial officer determines if the college will charge the accused with a violation of the conduct policy.

Given the role of the judicial officer in resolving behavioral concerns, the judicial officer is often aware of the full range of a student's behavior across the college and may be the most knowledgeable. Consequently, the judicial officer may initiate formal proceedings based on his or her knowledge of the student's behavior. If there is a conflict of interest the judicial officer may excuse himself or herself and the provost will appoint an alternate judicial officer.

**Initial Review**
The judicial officer first determines if there are grounds for the allegation and whether the allegation falls within the scope of the policy on student conduct.

1. If the judicial officer determines that the allegation is groundless or the alleged violation does not fall within the scope of this policy, the judicial officer so notifies the complainant in writing.
2. If the judicial officer determines the allegation falls within the scope of this policy, he or she determines whether a formal or informal process should be followed. If the judicial officer decides that a formal process is required, the next step is referral to the Student Conduct Committee.

**Informal Resolution**
The judicial officer may address the concern through discussion with the student or other appropriate means and make an effort to resolve the matter informally. The formal process is followed if the judicial officer determines that the informal process is insufficient or inappropriate.

**Formal Process**
1. If the judicial officer determines that the alleged violation does not potentially warrant a sanction of suspension or expulsion from the college, but still warrants formal action, the next step is a review conference with the student.
2. If the judicial officer determines that the alleged violation is serious enough to potentially warrant a sanction of suspension or expulsion from the college, the next step is referral to the Student Conduct Committee for a hearing. Repeated violations may be a basis for determining that a referral must be made to the Student Conduct Committee.

In any case, the judicial officer notifies the student in writing within 15 calendar days of receipt of the complaint. The written notice indicates who filed the complaint, summarizes the student's alleged violation of college policy and the nature of the information and documentation presented against the student, and includes a copy of the policy on student conduct. The written notice also indicates whether the next step is a discussion, a review conference or referral to the Student Conduct Committee for a hearing.

**Review Conference**
1. The review conference includes the judicial officer and the student who has been charged with a violation and may take the form of a meeting, phone conference or video conference. The conference usually takes place within 15 calendar days of the written notice to the student.
2. In the review conference, the judicial officer reviews the allegation and the college's policy on student conduct with the student and gives the student an opportunity to respond. The judicial officer may consult with others, as he or she deems necessary.
3. The judicial officer makes a determination about the allegation and may:
   a. Determine that the student is not responsible;
   b. Determine that the student is responsible and resolve the issue administratively by mutual consent of the parties in a way that is acceptable to the judicial officer;
   c. Redefine the alleged violation as potentially warranting a sanction of suspension or expulsion from the college, and refer the case to the Student Conduct Committee for a hearing;
d. Determine that the student is responsible for a violation for which a written warning is appropriate. In this case, the administrator may impose the sanction of a written warning.

4. The judicial officer provides a written summary of the issue and its disposition to the student, the complainant, and the student’s home location or program dean, and maintains a copy for the college’s records.

5. The judicial officer copies all correspondence arising from the review conference to the student’s home dean, the provost/VPAA, and to relevant parties as appropriate.

6. The judicial officer is responsible for producing and maintaining an accurate record of the review conference.

**Student Conduct Committee**

1. A Student Conduct Committee (SCC) considers alleged violations of the policy on student conduct that may warrant a sanction of suspension or expulsion from the college.

2. A SCC consists of three members, at least one Empire State College faculty member, one student service professional, and, if possible, one Empire State College student. If a student is not available another faculty member will be added. The Office of Academic Affairs establishes and maintains a list of faculty and student service professionals trained to conduct hearings. One member of the group of trained faculty and professionals serves as convener.

3. The judicial officer identifies a conduct committee for a particular case and establishes a faculty or staff member of the committee as the hearing officer.

4. If a member of the SCC is a party to a complaint or has a conflict of interest, he or she excuses himself or herself. The judicial officer identifies a substitute member who is not involved in the case replaces the original member.

**Student Conduct Hearing**

1. A SCC hearing takes place within 30 calendar days of the referral, not counting college no-appointment periods. The hearing may take the form of a meeting, conference call or video conference, at the discretion of the SCC.

2. The SCC is responsible for conducting a fair hearing of the facts and relevant information.

3. The hearing officer is responsible for procedural decisions, correspondence, and coordinating and chairing the hearing.

4. The judicial officer serves as advisor to the hearing officer; either may designate additional staff support for the hearing.

5. Each party has the right to have an advisor at a SCC hearing, but advisors may not question witnesses, address the SCC or participate directly in the hearing.

6. Each party has the right to refuse to answer questions.

7. The hearing officer must require all witnesses to swear or affirm that the information they provide will be truthful.

8. A single, verbatim record (e.g., transcript or recording) is made of the hearing. It, and any copies made for safekeeping, remain the property of the college. The college provides supervised, post-hearing access to the record, but does not provide copies to the parties.

9. The SCC is responsible for obtaining and reviewing any supporting documentation it deems necessary from the student, the complainant, and/or others.

10. Following the hearing, the SCC deliberates in closed session.

11. The SCC is responsible for determining whether the student violated the policy on student conduct and for determining an appropriate sanction. The SCC may:

   a. Determine that the student is not responsible;
   b. Determine that a violation has occurred which does not warrant even a written warning sanction, and refer the case back to the judicial officer for resolution through a review conference;
   c. Determine that the student has violated the policy on student conduct and decide on a sanction of expulsion, suspension, or written warning. Since alleged violations are referred to the SCC only when a sanction of suspension or expulsion from the college is potentially warranted, an SCC finding of misconduct normally results in a decision for either of those two sanctions. However, the SCC may decide upon the lesser sanction of a written warning.

12. The SCC transmits its written decision and rationale to the student, the complainant, the student’s home location or program dean, and the judicial officer within 15 calendar days of the hearing. The SCC also transmits the verbatim record of the hearing session to the judicial officer within 15 calendar days of the hearing.

**Sanctions and Imposition of Sanctions**

The judicial officer is responsible for implementing any sanction for misconduct within seven calendar days of the SCC decision. The judicial officer provides a written notice to the student, the complainant, and the dean of the student’s home location or program, and maintains a copy for the college’s records.

**Appeals**

1. The student has the right to appeal a decision by the judicial officer or by the SCC to the provost/vice president for academic affairs. Such appeals are not a rehearing of the complaint; rather, they provide a safeguard against errors or unfairness. The student may appeal the determination of responsibility, the sanction or both.

2. Appeals are considered on one or more of the following grounds:
   a. Significant new information not available at the time of the hearing/decision;
   b. Information/documentation presented at the hearing/decision that was disregarded;
   c. Substantive procedural violation that may have altered the outcome of the hearing/decision; or
   d. Imposition of an unreasonable sanction.

3. The student must submit any appeal in writing to the provost/vice president for academic affairs (provost/VPAA) within 30 calendar days of transmittal of the decision and must include an explanation or justification for the appeal.

4. The provost/VPAA notifies other parties in the case within seven calendar days of receipt of an appeal. Those parties normally provide any written response within 15 calendar days. The provost/VPAA normally provides a written decision and rationale within seven calendar days of receipt of responses to the appeal. The provost/VPAA’s decision is final.

5. If the student files a timely appeal, no sanction is imposed until the provost/VPAA renders a decision, except that an interim suspension imposed to maintain safety and order remains in effect.

**Maintaining Records**

The Office of Academic Affairs maintains judicial records for five years from the date of last enrollment or graduation date, whichever is later, except in cases resulting in suspension or expulsion, in which case the record is maintained indefinitely. If a student matriculates into another program at Empire State College, the record remains active.

**Review of Policies and Procedures**

Changes to this policy are subject to approval by the appropriate governance bodies, the college president, and the College Council.
The provost/vice president for academic affairs approves procedural changes.

The college respects the intellectual property rights of those who create and/or publish original works of authorship in any tangible medium of expression, whether physical or digital media, and regardless of format or genre. The college, therefore, authorizes use of copyrighted materials only under the following conditions:

- When permission is obtained from the copyright owner; or
- When reproduction, dissemination, creation of derivative works, performance or display of copyrighted materials falls within Fair Use guidelines, which are explained on the library's copyright website (http://www.esc.edu/library/); or
- When performance or display of copyrighted materials in a face-to-face classroom environment falls within Educational Use guidelines.

The library has answers to questions about Fair Use, Educational Use, the Digital Millennium Copyright Act and when it is necessary to get permission to use a copyrighted work. The librarians cannot obtain copyright permission on behalf of faculty, staff, or students, and are not qualified to give legal advice. The bookstore manager can provide information on how to obtain permission.

Using Copyrighted Works Online

Reproduction, dissemination, performance, display, and creation of derivative works from copyrighted works may be permitted under the Fair Use Exemption of the Copyright Act of 1976, if it passes the Four Factor Test.

Neither the nonprofit status of the college nor the educational nature of the endeavor are sufficient to automatically judge something Fair Use. There is no set guideline for number of words, number of pages or percentage of a total work that can be used.

In order to decide if a use is Fair Use, the library provides a downloadable worksheet in its website (http://www.esc.edu/library/). You should fill it out in order to help make your decision, and then save the completed worksheet as proof of your good-faith effort to comply with the law.

Performance and Display in a Face-to-Face Classroom Setting

Performance and/or display of copyrighted works in a face-to-face classroom is permitted by the Educational Use Exemption of the Copyright Act of 1976.

There are certain restrictions: the college must be accredited and not for profit; the use must be part of teaching and learning, not for entertainment, extracurricular activities, or other college business.

As long as those requirements are met, the Educational Use Exemption allows the instructor and/or students to perform musical works, poems, plays, or speeches; others to come into the classroom to perform musical works, poems, plays, or speeches; display of images, whether in physical or digital media; and playback of audio or video recordings of any kind.

CROSS REGISTRATION AT OTHER INSTITUTIONS

Empire State College students may cross register at other institutions. This option expands the variety of learning resources available. For cross registration, a course must be taken for academic credit at a college or university that is accredited or a candidate for accreditation by a recognized regional accrediting agency.

A graduate student may transfer, cross register, and/or earn evaluated credit for up to a combined total of 12 credits into a master’s program in the School for Graduate Studies, or 9 credits into a master’s program in the School of Nursing, and 3 credits into a certificate program in either school. A student may satisfy no more than a combined total of 50% of the credits toward a graduate certificate or degree program using transfer, cross registration, evaluated credit (e.g., prior learning assessment or direct assessment), and shared credits from a previously awarded graduate credential at the same level combined. Schools and individual programs may set lower limits for transfer, cross registration, and evaluated credit. See the Graduate Catalog for individual program limits.

For study taken through cross registration at another institution, the learning contract must document the name of the other institution, the course number, and the minimum acceptable grade for the credit award at Empire State College (at the undergraduate level: C or better; at the graduate level: B or better).

The amount of credit to be earned for a cross-registered course must be expressed in semester hours on the Empire State College enrollment documents.

The student must request that the other institution send an official (institution-to-institution) transcript to Empire State College. The contract evaluation or learning contract outcome should refer to the outcome.
The start date of a cross registered course must fall within the same financial aid term (fall, spring, or summer) as all other components in the Empire State College enrollment.

To cross register, the student must enroll for the course through an Empire State College learning contract proposal (registration) approved by the mentor. The mentor submits an Empire State College learning contract for the course.

The student also must follow local cross-registration procedures. These depend on the type of host institution or on specific arrangements between Empire State College and the host institution.

Empire State College allows tuition adjustments for cross registrations. Procedures depend on the type of host institution or on specific arrangements between Empire State College and the host institution.

The student should contact the Empire State College center or program for information on cross registration and tuition adjustment procedures.

**RIGHTS OF STUDENTS WITH DISABILITIES POLICY**

**Policy**

Empire State College complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. These acts provide that "...no otherwise qualified handicapped individual...shall, solely by reason of his handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance (29 USC Sect. 706)." Regulations implementing Section 504 and ADA establish standards for employment practice, accessibility of facilities, and education programs with which institutions receiving federal funds must comply (34 CFR Part 104).

In accordance with these regulations, a qualified person with a disability who meets the academic and technical standards required to enroll in and participate in the Empire State College program shall be provided an equal opportunity to obtain a degree in the most integrated setting appropriate to that person's needs. Empire State College makes reasonable accommodation to meet the needs of students with disabilities. Reasonable accommodation does not include academic adjustments that would fundamentally alter the nature, essential requirements or academic standards of the program.

The college considers each student's individual needs and requests for accommodations are handled by the Office of Accessibility Resources and Services.

The director of Accessibility Resources and Services, coordinates the college's compliance with Section 504, ADA and their implementing regulations with respect to students. Questions concerning the college's policy should be directed to the director of Accessibility Resources and Services, SUNY Empire State College, 113 West Ave., Saratoga Springs, NY 12866-4390, 518-587-2100, ext. 2244 or email Disability.Services@esc.edu.

**Procedure for Students With Disabilities Requesting Reasonable Accommodations**

Empire State College provides educational services through regional enrollment centers throughout New York state. Students with disabling conditions may work out informal accommodations with their mentors/tutors/advisors. To make a formal declaration of disability and request, a student may contact the region's disability representative (see A below).

**A. Requesting Accommodations**

1. The student may first contact the disability representative for his/her region or the disability specialist in the Office of Accessibility Resources and Services. A list of the disability representatives and their contact information can be found on the Accessibility Resources and Services website (https://www.esc.edu/accessibility/).

2. The student completes the Disability Declaration and Request for Accommodation form (available from a disability representative or on the Accessibility Resources and Services website, forms page (https://www.esc.edu/accessibility/forms/)) to provide information about his or her disability and request accommodations. The student does not need to provide documentation of the disability at this stage.

3. The disability services staff review the request and determine appropriate accommodations, consulting with the dean, the student’s mentor, and other faculty and staff as needed.

4. The student, his/her primary mentor, other mentors, tutors or instructors the student is studying with and the disability representative are notified of the approved accommodations. The student contacts his/her mentors or tutors to discuss implementing the approved accommodations.

**B. ADA Grievances or Appeals**

Students who wish to file a complaint about their treatment at the college or the determination of their accommodation request are welcome to do so. Internally, students may access the college's Student Grievance Procedure to do so.

1. **Informal resolution**

   The student is strongly encouraged to seek informal resolution of a grievance by bringing it to the attention of the relevant center, program or central office administrator in a timely fashion. An attempt at informal resolution should begin no more than 30 days after the concern arises.

2. **Written Grievance**

   If the student is unsatisfied with the response, the student may make a formal, written complaint to the relevant administrator.

   a. Any formal complaint must be submitted within 60 days of the concern arising. The student must state the nature of the grievance and the remedy s/he is seeking and describe any previous attempts to resolve the issue.

   b. The administrator reviews the situation and should provide a written response within 15 days of receiving the complaint.

3. **Appeal**

   If the student is unsatisfied with the first level of administrative response, the student may appeal in writing to the appropriate Vice President.

   a. Appeals regarding academic services are to be submitted to the Vice President for Academic Affairs. Appeals regarding financial issues are to be submitted to the Vice President for Administration.

   b. Any appeal must be submitted within 30 days of the transmission of the first level administrative response. The student must state
the nature of the justification for the appeal and describe any previous attempts to resolve the issue.

c. The Vice President reviews the situation and should provide a written response within 15 days of receiving the appeal. The Vice President’s decision is final.

GRADUATE EVALUATION AND GRADING
Empire State College features student-centered, mentored learning in all of its modes of study, from guided independent study to residency-based courses and online or blended courses. Regardless of the method of study:

- The learning experience effectively supports the student’s active engagement with the subject of study.
- The course instructor guides, responds to and evaluates students throughout the learning experience.
- In independent studies, evaluation procedures are targeted to the needs of the particular individualized study.

Learning Contract/Syllabus
The learning contract or syllabus defines the learning objectives of the course, the learning activities to be completed, and the methods and criteria for evaluating the student’s performance. A well-designed learning contract/syllabus lays the foundation for effective student evaluation by clearly outlining learning objectives and activities and methods and criteria for evaluation. The course instructor evaluates the student’s work in light of these elements throughout the learning experience. Thus, the course instructor’s feedback to the student is rooted in the learning contract/syllabus itself and occurs throughout the course.

Evaluation
Grades issued at Empire State College document students’ academic growth. At the same time, students need to meet the minimum performance standards established for each course, for credit to be awarded. To support student achievement, ESC faculty may afford students opportunities to revise work during a course in order to meet performance standards at the minimum or a higher level. Nevertheless, a student who works hard and shows progress, and is still not able to meet the stated criteria for evaluation, does not earn graduate credit.

Grades
The college uses a 4.00 grading scale. The grade assigned to a graduate course completed at Empire State College may be any of the following:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Quality Point</th>

Pass (P):
- This grade is awarded for specific courses in which the student has performed at the B or better level.

No Pass (NP):
- This grade is awarded for specific courses in which the student has performed at the B- or lower level.
- NP does not count as credit earned and therefore may negatively impact satisfactory academic progress. Please refer to the Graduate Satisfactory Academic Progress Policy.

Incomplete (IN):
- When extenuating circumstances arise, a student may request an outcome of incomplete (IN) from the course instructor. The course instructor may submit an incomplete only when the student has consistently engaged in learning activities and has successfully completed at least 50 percent of the work before the end of the term. The course instructor is not obligated to grant an incomplete.
- A student who receives an IN grade must complete the course within 15 weeks of the end date of the term, or earlier if the course instructor has specified an earlier completion date.
- If the course is not completed within the Incomplete period, the IN automatically converts to F.
- IN does not count as credit earned and therefore may negatively impact satisfactory academic progress. Please refer to the Graduate Satisfactory Academic Progress policy.

Administrative Withdrawal (ZW):
The following letter grades are included in the GPA:

Grade | Quality Points
--- | ---
A | 4.00
A- | 3.67
B+ | 3.33
B | 3.00
B- | 2.67
C+ | 2.33

Repeated Courses
A student may repeat a graduate course only once. When a student repeats a course, the highest grade will be used for purposes of the calculation of a grade point average. Grades of IN, ZW, and WD do not replace the original grade in the calculation of the grade point average. The original course remains a part of the transcript. Note that both the original and the repeated course must still be included in the satisfactory academic progress calculation. Since a course can only be repeated once, if a student is not successful when attempting to repeat a required course, the student is dismissed from her/his academic program.

Minimum Grade Point Average Requirement
Empire State College graduate students must maintain a program GPA of at least 3.00. A program GPA of at least 3.00 is a requirement for graduation.

Master of Arts in Teaching students must maintain a program GPA of at least 3.00 in order to be recommended for and maintain NYS transitional B certification.

Please refer to the Graduate Academic Standing Policy for details regarding warning and dismissal.

Procedure for Retroactive Assignment of Grades
Prior to July 1, 2007, the college provided narrative evaluations without grades. On occasion, a student who received narrative evaluations would later request that the college assign grades to the narratives. When such a request was received, the college, where possible, added grades to the narratives. When such a request was received, the college, where possible, added grades to the narratives. When such a request was received, the college, where possible, added grades to the narratives. When such a request was received, the college, where possible, added grades to the narratives. When such a request was received, the college, where possible, added grades to the narratives. When such a request was received, the college, where possible, added grades to the narratives. When such a request was received, the college, where possible, added grades to the narratives.

For students matriculated in a graduate program at Empire State College before July 1, 2007, the college will continue to respond to student requests, consistent with the procedure detailed below. For students who re-matriculate after that date, there will be no later assignment of letter grades to narrative evaluations.

The procedure for retroactive assignment of grades is as follows:

1. For each Empire State College course for which the original course instructor is available, the course instructor is responsible for assigning a grade based on the contract evaluation and the instructor's records and recollection of the student's work in the course. If the course instructor is no longer available, or if the course instructor is not able to make a letter grade judgment, no grade is assigned. In exceptional circumstances, this procedure cannot fully meet a student's needs. In such a case, the dean of the appropriate school consults the provost on appropriate alternatives.
2. The dean of the appropriate school forwards the grades to the college registrar.
3. The registrar adds the grades to the narrative evaluations, and thereby includes them in the student's official transcript.

Appeal of Grades
A student may appeal a grade as provided in the Student Academic Appeals Policy.

Effective date: 9/1/2019
Review date: 9/1/2022
GRADUATE MEDICAL OR COMPASSIONATE WITHDRAWAL POLICY

This policy identifies conditions under which a student may receive a medical or compassionate withdrawal from graduate courses.

A student who experiences a serious and unexpected medical issue or has an immediate family member die or experience a serious and unexpected medical issue that prevents the student from completing their coursework may request a medical or compassionate withdrawal from the dean, or designee, of the appropriate school. Medical or compassionate withdrawal requests must be made during the term of enrollment. They may not be requested or granted retroactively after the last day of a term. Requests for medical or compassionate withdrawals should be supported by appropriate medical or other documentation. Medical or compassionate withdrawals are granted at the sole discretion of the dean, or designee. Courses from which a student is medically or compassionately withdrawn do not count toward attempted courses for the purposes of the Course Repeat Limit. It is important to note that a medical or compassionate withdrawal does not exclude courses from the Satisfactory Academic Progress calculations for financial aid eligibility.

Appeals
An explanation of the appeals process is in the Academic Appeals Policy and Procedures.

GRADUATE STUDENTS ENROLLING IN UNDERGRADUATE COURSES

Occasionally, a graduate student needs to enroll in an undergraduate course to fulfill a prerequisite or deficiency. If the student has not yet been accepted into the graduate program at the college, the student should enroll as a non-matriculated undergraduate student. If the graduate student has been accepted into the graduate program, then he or she can enroll in the undergraduate course during the regular registration period. Before enrolling, the student should consult with his/her academic advisor to make sure that the undergraduate course is appropriate. It is important to note that graduate students enrolling in undergraduate courses are charged graduate-level tuition and fees.

As a general rule, students needing to fulfill prerequisite requirements, or with more than one deficiency, should be advised to enroll as non-matriculated undergraduates and the Financial Aid office should be notified. Once documented, the Financial Aid office can process fifth-year undergraduate loans, if eligible, for these students leaving the graduate loans for the graduate enrollments. If the student has been accepted into the graduate program and must enroll in graduate courses and undergraduate courses at the same time, graduate aid will cover the undergraduate course if it is required for the student’s graduate program, (prerequisite or deficiency) and the student is enrolled in at least 5 credits of graduate coursework. Therefore, as a general rule, students enrolling in an undergraduate course that is not a requirement for his or her graduate program will not be eligible for aid. Since the preceding statements are just generalities, students should contact the Financial Aid office directly for confirmation of their aid status.

GRADUATE SUBSEQUENT PROGRAMS AT THE SAME CREDENTIAL LEVEL POLICY

This policy defines and details the number of graduate credits a graduate student must complete at Empire State College to earn a subsequent graduate-level degree or certificate at the same credential level.

Students who have completed a master’s degree or an advanced certificate and are accepted into a subsequent graduate program at the same credential level (master’s degree/master’s degree or advanced certificate/advanced certificate) must follow the requirements below.

- Students can only be active in one program at the same credential level at a time. The completion of a subsequent program at the same level must be done sequentially, not concurrently.
- No more than 25% of the credits toward a subsequent master’s degree may have been used to fulfill the requirements of the first master’s program.
- No more than 25% of the credits toward a subsequent advanced certificate program may have been used to fulfill the requirements of the first advanced certificate program.
- Students cannot use credits older than six years in the subsequent program. The age of the credit is determined by the term and year in which it was earned.
- Evaluated credit earned in the primary program may not be used in any subsequent programs.
- Transfer credit used in the primary program may not be used in any subsequent programs.

Students may appeal any decision made about the use of credit in a subsequent graduate program in accordance with the Student Academic Appeals Policy and Procedure.

A graduate student may satisfy no more than a combined total of 50% of the credits toward a graduate certificate or degree program using transfer, cross registration, evaluated credit (e.g., prior learning assessment or direct assessment), and shared credits from a previously awarded graduate credential at the same level combined. See the Graduate Transfer, Cross-Registration, and Evaluated Credit Policy for specific rules on the use of transfer, cross-registration, and evaluated credit to meet graduate certificate and degree requirements.

GRIEVANCE PROCEDURE

A grievance differs from an appeal of an academic decision, as it deals with service issues and not the actual outcomes of course work. A student may file a grievance in the cases of an unresolved difference or dispute between themselves and the college (office or individual) related to services rendered or non-academic decisions. The policy covers matters outside the scope of other policies of the college.

Complaints about sexual harassment and discrimination based upon protected class are addressed through the Discrimination Complaint Procedure; complaints about services related to disabilities are addressed through Rights of Students with Disabilities Policy; complaints about student behavior are addressed through the Student Conduct Policy and Procedures and student academic appeals including grading are addressed through Student Academic Appeals Policy and Procedures.

In cases where service issues underlie a disagreement about an academic evaluation, the service issue will be investigated and decided first.

Informal Resolution
The student is strongly encouraged to seek informal resolution of a grievance by bringing it to the attention of the relevant individual, administrator or office. An attempt at informal resolution should begin no more than 20 business days after the service or decision is rendered.

Formal Grievance
If the student is unsatisfied with the response, the student may make a formal, written grievance to the relevant administrator.

The student must submit any formal grievance within 40 business days after the service or decision is rendered. The student must state the
nature of the grievance and the remedy she/he is seeking and describe any previous attempts to resolve the issue grievance.

The administrator reviews the situation and should provide a written response, including appeal information within 15 days of receiving the complaint, copying the primary mentor/academic advisor. Students will be informed if extenuating circumstances require additional time.

Appeal of Formal Grievance Decision
If the student is unsatisfied with the formal grievance decision, the student may appeal in writing to the appropriate vice president, provost or designee.

Any appeal must be submitted within 20 business days of the transmission of the formal grievance decision. The student must state the nature of the justification for the appeal.

The vice president, provost or designee reviews the grievance and should provide a written response within 15 days of receiving the appeal. This decision is final.

HUMAN RESEARCH SUBJECTS
Protection of Human Research Subjects

Empire State College acknowledges and accepts its responsibility for protecting the rights and welfare of human subjects of research and will comply with the Department of Health and Human Services regulations (including 45 CFR 46) and New York State Department of Health Regulations for the protection of human subjects. The college has adopted and will abide by the ethical principles set forth in the report of the National Commission for the Protection of Human Subjects of Biomedical and Behavior Research titled, "Ethical Principles and Guidelines for the Protection of Human Subjects of Research" (the Belmont Report). The college will exercise appropriate administrative oversight, carried out at least annually, to ensure that its practices and procedures designed for the protection of human subjects are in compliance and effectively applied.

All research involving human subjects will be reviewed and approved by an Institutional Review Board, which has been established under this assurance of compliance, regardless of the source of funding. The involvement of human subjects in research covered by this policy will not be permitted until the IRB has reviewed and approved the research and informed consent has been obtained. If the only involvement of human subjects will be in one or more of the categories exempted or waived from review by the Federal Office for Human Research Protections, the expedited review process shall be undertaken as required under present New York state law.

This policy is applicable to all activities, in which whole or in part, involve research with human subjects if:

1. The research is sponsored by the college;
2. The research is conducted by, or under the direction of, any employee or agent of the college in connection with his or her institutional responsibilities, or uses any property or facility of the college;
3. The research involves the use of the college’s nonpublic information to identify or contact human research subjects or prospective subjects.

INCOMPLETE PROCEDURE

When extenuating circumstances arise, a student may request an outcome of incomplete (IN) from the course instructor. The course instructor may submit an incomplete only when the student has consistently engaged in learning activities and has successfully completed at least 50 percent of the work before the end of the term. The course instructor is not obligated to grant an incomplete.

If a student is awarded an IN outcome, the maximum incomplete period is 15 weeks after the end date of the term. The course instructor may, however, establish an earlier completion date.

It is important to note the following regarding IN outcomes:

- An incomplete period will include the break period between terms but exclude any no appointment periods.
- An IN outcome does not count as credit earned and, therefore, may negatively impact satisfactory academic progress. Please refer to the section on satisfactory academic progress located elsewhere in this catalog.
- If an incomplete period expires and no outcome has been submitted, the IN will convert to F.

IN VOLUNTARY WITHDRAWAL PROCEDURE

Whenever possible, the college uses the Student Conduct Policy and Procedures to address violations of college regulations. In rare cases, a student poses a significant risk to self or others and may not be competent to participate in student conduct proceedings. Significant risk constitutes a high probability of substantial harm and not just a slightly increased, speculative, or remote risk. In these cases, the provost/vice president for academic affairs or designee may involuntarily withdraw the student from the college.

Procedure

A. If a student poses an immediate and significant risk of harm to self or others, the individual confronted with the situation calls local police. The dean makes a further assessment after the immediate safety issues are addressed.

B. The dean uses available evidence to determine if there is significant risk to self or others. The assessment may include a review of recommendations by emergency responders (police, EMTs, etc.) and medical professionals. Additionally, or in the absence of such information, the dean uses the best available information.

C. The dean of the student’s home location makes a request to the provost/vice president for academic affairs outlining the risk posed by the student and explaining why the student is not able to participate in conduct proceedings, if applicable.

D. The provost/vice president for academic affairs reviews the request and determines if the threat and the assessment of incompetence is sufficient to warrant the involuntary withdrawal of the student from the college. The provost/vice president for academic affairs may consult with others as needed and provides the student an opportunity to provide his or her own evaluation or other evidence.

a. If an involuntary withdrawal is warranted, the provost/vice president for academic affairs notifies the individual in writing, summarizes the basis for the decision, and copies the dean. The provost/vice president for academic affairs also may require, as a precondition to a student’s return, that the student provide documentation that the student has taken steps to reduce the previous threat. The college may require a release to speak with any treatment professional.

b. If the student poses a risk to safety and order and the provost/vice president for academic affairs determines that the student is competent to participate in conduct proceedings, involuntary withdrawal is not
appropriate. The conduct policy and procedures provide for an interim suspension pending conduct proceedings.

c. If the provost/vice president for academic affairs determines that the student does not pose a significant risk, he or she refers the matter back to the dean for action in accordance with established policies and procedures.

E. The student may request reconsideration of the involuntary withdrawal in writing to the provost/vice president for academic affairs. The student provides a rationale and additional evidence that supports his or her request. This may include documentation that he or she has taken steps to reduce the previous threat. The provost/vice president for academic affairs reviews the request and any documentation, consult with others, may require a release to speak with any treatment professionals, and informs the student in writing of the final decision.

**LEAVE OF ABSENCE PROCEDURE**

A leave of absence is required if the student will be out of his or her program (not taking courses) for two or more terms. If the student plans to skip an enrollment (not take courses) for only one term, then there is no need to request a leave of absence. To request a leave of absence, the student writes (with copies to his or her academic advisor and course instructor(s) if enrolled) to the dean of the School for Graduate Studies, or designee, at Graduate_Dean's.Office@esc.edu. The student should specify the length of time that he or she is requesting the leave for and the reason(s) for requesting it.

Students in the MAT program must have the permission of the dean of the School for Graduate Studies, as well as their local school personnel, to be granted a leave of absence in years two or three of the program.

Without taking courses or requesting a leave, the student will become inactive and be administratively withdrawn from his or her program in accordance with the rules for minimum study. (Please refer to the policy located elsewhere in this catalog.)

It is important to remember that a leave of absence does not change the requirement that a student complete his or her program within six years from initial enrollment. (Please see the Time Limit for Degree Completion Policy located elsewhere in this catalog.)

**M.A. DEGREE PROGRAM REGISTRATION LIMIT PROCEDURE**
The Master of Arts programs offer you the flexibility of some level of customization of your degree. Therefore, you must develop a degree program plan to be submitted for approval in accordance with the requirements for your program. To ensure that you are enrolling in courses that will fit within your program, all Master of Arts students are limited to no more than 21 credits of enrollment without an approved degree program in place. It is important to note that this procedure refers to credit attempted, not credit earned.

**MINIMUM STUDY POLICY**

To remain active, a student must enroll for a minimum of 6 credits per calendar year. If a student is not enrolled for a minimum of 6 credits and have not been granted a leave of absence by the dean of the School for Graduate Studies, or designee, the student will be considered inactive and administratively withdrawn from the program.

If a student is administratively withdrawn, has been inactive for less than three years and wants to return to his or her program, permission can be requested in writing, from the head of the program. The request should state the reason(s) for wanting to return and any explanation that can be offered about the student's absence from the program.

If a student has been administratively withdrawn from a program and has been inactive for three years or more and wishes to return, reapplication to the college will be necessary. The student's application will be reviewed for admission under the admission standards that are current at the time of the new application.

If a student has been administratively withdrawn from the program and had received approval for the final project proposal, the proposal and project readers must be reconsidered and approved again. The student may be required to retake the requisite final project design course.

Students can also be administratively withdrawn for failure to pay the tuition and/or fees required by the program.

**NON-MATRICULATED ENROLLMENT POLICY AND PROCESS**

A student may wish to engage in graduate-level study with no intention to earn a degree. For example, you may want to stay current in your field, or earn credit that will count toward a degree at another college or university.

**Policy**

A. The following applies to non-matriculated study:

1. Study is limited to no more than four graduate courses (up to 12 credits) of study in the School for Graduate Studies if the student is in good academic and financial standing;
2. The student may enroll in a limited selection of courses offered each term; and
3. An official transcript must be provided verifying completion of a bachelor's degree or higher degree from a regionally accredited institution prior to registration as a non-matriculated student.

B. If a student begins as non-matriculated and is later admitted to a degree or certificate program, only those courses appropriate to the degree or certificate program are eligible to be counted toward the degree or certificate program.

C. Although successful completion of courses as a non-matriculated student will be considered in admissions decisions, it does not automatically qualify an individual for admission.

D. Non-matriculated students are not eligible for financial aid.

E. Active status is determined by the Graduate Minimum Study Policy.

Students may appeal any decision made about non-matriculated enrollment as outlined in the Academic Appeals Policy and Procedures.

**PRIVACY: ADHERENCE TO FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974 (FERPA)**
The Family Educational Rights and Privacy Act of 1974 was designed to ensure that educational records would be open to inspection and correction when appropriate and that recorded information would not be made freely available to individuals outside the school without consent. Both current and former students have the right to inspect and review all records, files, documents, and other material directly related to them, which are maintained by the school or a person acting for the school.

To comply with the provisions of the act, Empire State College guarantees the following:
1. The college will inform students annually of their rights under the act.
2. Students may request to examine their education records by the following methods:
   - **Location or Program Files** – In person or written request to dean or designee.
   - **Coordinating Center Files** – In person or written request to college registrar.

3. If the student wishes copies of the education records, the following fee schedule will apply: Transcript $5, all other education record materials $5.50/page.

Types and locations of records maintained by the college, and the officials responsible for them are as follows:

   a. Admission Records: Admissions office – director of admissions; locations or programs – dean/program director. Upon official enrollment of a student, admissions records are transferred to the Office of the Registrar.
   b. Academic Records: Office of the Registrar – the registrar; locations or programs – dean/program administrator.
   d. Financial Aid Records: Financial Aid and Student Accounts (Saratoga Springs) – directors of business services, financial aid and student accounts.
   e. Billing Records: Student Accounts (Saratoga Springs) – director of student accounts.

4. The college will not disclose personally identifiable information from a student’s education records without prior written consent of the student except as permitted by the act in paragraphs 99.31 and 99.37.

5. In event of health or safety emergency.
6. To comply with judicial orders.
7. Most recent previous educational institution attended
8. Participation in officially recognized college activities

### 99.37 – Disclosure of Directory Information

Directory information, which can be released without prior consent of the student, is limited to the following (as authorized by the act):

   a. Name
   b. Address
   c. Phone number
   d. Dates of attendance
   e. Degree and awards earned
   f. Participation in officially recognized college activities
   g. Date and place of birth

The student may restrict the release of all or part of the directory information by following the procedures specified in each annual notice.

All parts of the college will operate under the following procedures with regard to requests for information:

1. **Incoming Phone Requests** – Only directory information items d, f, and g will be released over the phone to persons outside the college.
2. **Written Requests** – Directory information will be released by the college registrar in response to requests on official letterhead to persons having legitimate reason for requesting the information. If additional information is requested, the student will be notified and release requested.
3. **In-person Requests** – Directory information will be released to those who have proper identification and legitimate reason for requesting the information. It will not be released to other students.
4. Other than directory information will be released only by the college registrar and only with the prior consent of the student.
5. The Office of the Registrar will maintain a record in the student’s file of all requests for, and disclosure of, personally identifiable information (other than directory information) from a student’s education records as specified in the act. This record may be inspected by the student.
6. Students may request to amend their education records if they believe information contained therein is inaccurate or misleading or violates their privacy or other rights. If such a request is refused, the college will so inform the student and advise the student of the right to a hearing to be held within a reasonable time.
7. All parts of the college will maintain student records in lockable file cabinets, preferably in lockable rooms. Similarly, computer files will be maintained in such a way as to ensure maximum security and to provide access only to authorized personnel. Storage and destruction will be in accordance with State University policy and procedures.
8. Copies of this policy and of the act will be on file in all locations of the college and will be made available to eligible students upon request.

Access to Lists of Empire State College Graduates
The Family Educational Rights and Privacy Act of 1974 stipulates under what conditions information regarding graduates, as well as students, may be made public. It is the policy of this college not to make mailing lists of graduates available to other organizations or individuals. In no instance will lists of Empire State College graduates be released to organizations or individuals for commercial purposes. All requests for information on individual Empire State College graduates will be forwarded to the college registrar. If, in the view of the college registrar, a compelling case exists to grant exception to this policy, the college registrar will consult with the Office of the President and Alumni and Student Relations to determine if an exception is warranted. In those cases where an exception is granted, the Family Educational Rights and Privacy Act of 1974 will still govern the release of information.

RELIGIOUS OBSERVANCE POLICY
In compliance with Section 224-a of the Education Law, students unable, because of religious beliefs, to engage in learning activities – classes, examinations, study, or work requirements – on a particular day or days will not be penalized and will be provided with means to make up for any study opportunities that may have been missed because of absence for religious reasons. Since most study arrangements at Empire State College are individually made between student and faculty, students may schedule meetings and other academic activities so they do not conflict with their religious observances. In cases where group meetings are arranged (e.g., classes, seminars, special examinations such as College Level Examination Program or New York College Proficiency Examination Program), students who wish to avail themselves of these opportunities, but are unable to participate at certain times because of religious beliefs, should consult with their mentors to make alternate arrangements. No adverse or prejudicial effects shall result to any student because of his or her religious beliefs.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY
This policy statement describes the academic conditions under which a graduate student is eligible for financial aid.

A student is expected to complete courses, to accumulate credit in proportion to the credit attempted (i.e., meet academic progress expectations), and to make progress toward a degree/certificate.

Sometimes a student makes less academic progress than expected. When this occurs, the college notifies the student with a satisfactory progress warning or dismissal.

Satisfactory Academic Progress Determination
1. A student is making satisfactory academic progress when she/he consistently earns credit toward the degree or certificate sought which is defined as earning 67% of attempted credits.
2. Academic progress is monitored at the end of each term.
3. Academic progress is cumulative across graduate programs at the college.
4. Completion of prerequisite/deficiency requirements for admission to a master’s program does not count toward the credit required to earn a master’s degree. Therefore, these credits do not count toward meeting satisfactory academic progress expectations.
5. Academic progress advances only when a student earns credit toward the degree or certificate sought. A student earns no graduate-level credit and makes no progress academically when the student receives any of the following grades for a graduate course:
   - Incomplete (IN)
   - F
   - No Pass (NP)
   - Administrative Withdrawal (ZW)
   - Withdrawal issued on or after 29th day of term (WD)

These grades count in the determination of credits attempted, and thus affect the calculation of the student’s cumulative rate of progress.

Financial Aid Warning
A student is placed on financial aid warning when the student earns credit for less than 67% of the student’s attempted credits.

Rescinding a Financial Aid Warning
A financial aid warning is in effect until it is rescinded or financial aid is suspended. A financial aid warning is rescinded when the student’s progress rate returns to a satisfactory level.

Financial Aid Dismissal
1. A student receives a financial aid suspension when after one subsequent term of enrollment after being placed on financial aid warning, the student’s progress rate does not return to a satisfactory level.
2. A student who is on financial aid suspension may continue to take coursework without financial aid as long as s/he maintains satisfactory academic standing.

Suspension: student may appeal Financial Aid Suspension to the dean, or designee, of the appropriate school. An appeal of a Financial Aid Suspension must present written evidence that the student is ready and able to make satisfactory progress and include an academic plan co-developed with the student’s academic advisor, which includes the number of terms within which the student will return to satisfactory academic progress. Appeals of financial aid suspension are granted at the discretion of the dean, or designee. If approved, the dean, or designee, will grant a specific number of terms by which a student must return to satisfactory academic progress. If the student returns to satisfactory academic progress by the end of the designated number of terms, the student returns to good standing. If the student does not return to satisfactory academic progress by the end of the designated number of terms, the student will be placed on Financial Aid Suspension.

A student placed on Financial Aid Suspension for a second time, is not eligible to receive financial aid for graduate study at SUNY Empire State College in the future.

Appeals
An explanation of the appeals process is in the Academic Appeals Policy and Procedures.

GRADUATE ACADEMIC STANDING POLICY
This policy statement describes the academic conditions under which a graduate student, or an undergraduate student enrolled in graduate courses, is eligible to remain enrolled in graduate courses at the college and specifies procedures for warning and dismissing students.

This policy defines whether a student is in good academic standing. It does not determine if a student is eligible for financial aid.

The cumulative grade point average is the criterion that establishes the student’s academic standing with the college. A student who meets this criterion is in good academic standing and therefore maintains her/his eligibility to re-enroll. Cumulative GPA and other criteria apply to eligibility to receive financial aid. See the Graduate Satisfactory Academic Progress...
policy and the statements on Eligibility for NYS and Federal Financial Aid. Sometimes a student’s cumulative GPA falls below the minimum satisfactory cumulative GPA. When this occurs, the college notifies the student with an academic warning or dismissal.

**Academic Warning**
A student is placed on academic warning when s/he has a cumulative GPA below 3.00.

- A student on academic warning has 6 additional credits of enrollment to return to a cumulative GPA of 3.00 or higher.
- An academic warning is in effect until it is rescinded or the student is academically dismissed.

**Rescinding an Academic Warning**
An academic warning is rescinded if a student’s cumulative GPA raised to 3.0 or greater within the additional 6 credits coursework allowed under academic warning.

**Academic Dismissal**
- A student is academically dismissed if they are on academic warning and do not achieve a cumulative GPA of 3.00 or greater after attempting 6 additional credits of applicable coursework at Empire State College.
- A student concurrently enrolled in two or more graduate programs at the time of dismissal, is dismissed from all active graduate programs when they meet the criteria for dismissal.
- An undergraduate student enrolled in a combined bachelor’s degree and master’s degree program is dismissed from the combined program when they meet the criteria for dismissal. The student may continue in the bachelor’s degree program provided that they meet the requirements for that program.

**Reinstatement After Academic Dismissal**
In order to be reinstated, a student must present written evidence to the dean or designee of the appropriate school, that the student is ready and able to make satisfactory progress. The student should address the problems that led to the dismissal and what s/he has done to correct those problems. The dean consults with program faculty in making this determination.

The dean or designee, of the appropriate school considers requests for reinstatement after academic dismissal, and grants reinstatement at his or her discretion. If the dean, or designee, reinstates a student, s/he may establish terms and conditions that promote future academic success. For example, the dean may impose specific conditions for subsequent enrollments, such as requiring a reduced academic load or requiring enrollment in courses to build academic skills.

If the student is dismissed from her/his program and wishes to apply to a different program, the student must complete a new application. The student should address the problems that led to the dismissal, what s/ he has done to correct those problems, and how s/he expects to achieve success in the new program.

Students are not eligible for reinstatement or readmission for at least one term after an academic dismissal. Students who are academically dismissed for a second time are not eligible for reinstatement or readmission.

A student dismissed from a combined bachelor’s degree and master’s degree program may not request reinstatement to the combined program, but may apply to the master’s program directly following the standard master’s admissions process.

**Other Reasons for Academic Dismissal**
Students may also be academically dismissed when they fail to meet the expectations of other academic policies. For example, students may be dismissed when they are unable to retake a required program course after two unsuccessful attempts under the Graduate Evaluation and Grading Policy or when teacher education students fail to meet the professional expectations described in the Teacher Professional Expectations Policy.

**Appeals**
A student may appeal a grade, an academic warning or dismissal, or other academic judgment, as provided in the Student Academic Appeals Policy.

**TEACHER PROFESSIONAL EXPECTATIONS POLICY AND PROCEDURES**
Empire State College expects teacher education students to teach effectively and to demonstrate behaviors and attitudes that are consistent with the ideal of fairness and the belief that all students can learn. Empire State College expects students in professional education to demonstrate a set of values and attitudes consistent with the highest professional standards and to comply with relevant local, state, and federal law. Students who fail to meet professional expectations are subject to warning or dismissal from the program and those dismissed cannot be recommended for teacher certification.

Further, the teacher education programs prepare students to function as professionals who serve pupils and clients who may be minors or individuals in circumstances of significant vulnerability. In pursuing their academic programs, students come into direct contact with such vulnerable pupils and clients as part of their field experiences, residency placements and teaching roles. Empire State College has an obligation to protect those pupils and clients and cannot tolerate student behavior that exploits, endangers, compromises, or threatens the welfare, safety, or rights of those pupils or clients.

In deciding whether to admit, readmit, retain or graduate a student from a program, or to recommend an individual for state certification, the teacher education program considers not only the college’s admission and academic requirements but also the individual’s competencies related to serving in the teaching profession, including, but not limited to, the individual’s conduct, professional attitudes, values, and attributes to the extent such traits impact the person’s ability to serve effectively and ethically in the profession, and advancement in a teacher education program. The teacher education faculty and staff will conduct periodic reviews of students at key checkpoints, such as the time for certification recommendation, to determine whether or not the student will move forward in the process.

**Professional Expectations and Criteria:**
In deciding whether to admit, readmit, retain, or graduate students from a program, or to recommend an individual for a state teaching certificate, a teacher education program considers:

1. The individual’s educational, work, and other life experiences related to the teaching profession.
2. The individual’s ability to communicate and work effectively with students, families, colleagues, peers, college faculty and staff, and communities, including individuals from different backgrounds, individuals with exceptional needs or limitations, individuals
from different religious, cultural, racial, or ethnic populations, and individuals of different genders and sexual orientations.

3. The individual's fitness for the profession, including but not limited to any formal charge of professional misconduct or any felony conviction(s).

4. The individual's behavior in light of appropriate professional and ethical standards.

5. The individual's general and specific knowledge, skills and dispositions needed to successfully complete the particular program, and to function effectively in the profession. Dispositions for teaching are defined as those professional attitudes, values, and attributes expected of an education professional by this policy and by New York state law and regulations. An instrument is used as a valid, reliable, and objective tool for assessment in this process. There is a set process to review the results of this instrument.

6. The legal requirements and professional expectations as set out in the applicable laws and regulations governing state certification.

7. The standards and rules adopted or recognized by a teacher education program and applicable professional organizations.

8. Whether the individual has met all the other program requirements for retention, graduation or recommendation for state certification as set forth in the Graduate Catalog and the program's written policies and procedures.

Procedures
Warning or Dismissal From a Teacher Education Program
A. Academic Warning or Dismissal

The graduate student Evaluation and Grading policy, Satisfactory Academic Progress policy, Academic Standing policy, and Academic Honesty policy contain college policy and procedures for academic warning and dismissal.

B. Professional Warning or Dismissal

The dean of the School for Graduate Studies may issue a warning or dismiss a student from the program for failure to meet, satisfy or demonstrate satisfactory performance with respect to one or more of the program's professional criteria (see Part I).

1. Grounds for Professional Warning or Dismissal

The dean of the School for Graduate Studies may issue a warning or dismiss a student from the program for failure to meet one or more of the following:

a. A school or a school district decides not to hire or retain the student, dismisses the student from field experience, disciplines the student for misconduct or determines that the student has behaved inappropriately with respect to any of the professional criteria.

b. The dean of the School for Graduate Studies determines that the student does not meet the professional criteria.

2. Procedure for Warning or Dismissal

a. Once notified of a complaint/incident, the division chair will notify the student and the student's advisor of the complaint/incident; schedule a meeting between the student, advisor, and chair; and conduct an investigation. The student will have one week from the date of notification to confirm a date for this meeting. In advance of this meeting, the student may provide a written response to the division chair concerning the incident. At this meeting, the student may provide information or documentation or be asked by the division chair to provide information or documentation related to the complaint/incident. Based on the investigation, the division chair will make a recommendation to the dean of the School for Graduate Studies and copy the student. The student has one week from the submission of the chair's recommendation to submit a written response to the dean of the School for Graduate Studies. In the absence of the division chair, the director of teacher education will act in his/her place.

b. Upon receipt of this recommendation, the dean of the School for Graduate Studies may warn or dismiss the student from the program. In making this decision, the dean may obtain information, documentation or consult with others as deemed necessary.

c. The dean notifies the student in writing. The warning or dismissal notice includes the effective date and reason for the warning or dismissal. The dean provides a copy to the division chair, director of teacher education, the student's academic advisor, and course instructor(s).

New York State Law Definitions
Violence against women act specific definitions: The Violence Against Women Act and its proposed regulations require the inclusion of certain New York state definitions in a campus’s Annual Security Report and also require that those definitions be provided in campaigns, orientations, programs, and trainings for employees and students. Definitions required include: Affirmative consent, dating violence, domestic violence, sexual assault, and stalking.

Affirmative Consent
Affirmative consent is a knowing, voluntary, and mutual decision among all participants to engage in sexual activity. Consent can be given in words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of consent does not vary based upon a participant’s sex, sexual orientation, and gender identity or gender expression.

• Consent to any sexual act or prior consensual sexual activity with any party does not necessarily constitute consent to any other sexual act.

• Consent is required regardless of whether the person initiating the act is under the influence of drugs and/or alcohol.

• Consent may be withdrawn at any time.

• Consent cannot be given when a person is incapacitated, i.e., when he or she lacks the ability to knowingly choose to participate in sexual activity. Incapacitation may be caused by lack of consciousness or being asleep, being involuntarily restrained, or if an individual otherwise cannot consent. Depending on the degree of intoxication, someone under the influence of alcohol, drugs, or other intoxicants may be incapacitated and therefore unable to consent.

• Consent cannot be given under conditions of coercion, intimidation, force, or threat of harm.

• When consent is withdrawn, or can no longer be given, sexual activity must stop.

DATING VIOLENCE – New York state does not specifically define “dating violence.” However, under New York Law, intimate relationships are covered by the definition of domestic violence when the act constitutes a crime listed elsewhere in this document and is committed by a person in an “intimate relationship” with the victim. See “Family or Household Member” for definition of “intimate relationship.”

Such acts are alleged to have been committed by a family member. Factors that may be considered in determining whether a relationship is an “intimate relationship” include, but are not limited to: The nature or type of relationship regardless of whether the relationship is sexual in nature, the frequency of interaction between the persons, and the duration of the relationship. Neither a casual acquaintance nor ordinary fraternization between two individuals in business or social contexts shall be deemed to constitute an “intimate relationship,” any other category of individuals deemed to be a victim of domestic violence as defined by the office of children and family services in regulation.

**SAFETY & SECURITY POLICIES AND PROCEDURES**

**OFFICE OF SAFETY AND SECURITY**

The Office of Safety and Security at SUNY Empire State College oversees security operations for the college. The office serves as an administrative oversight for security operations at the Coordinating Center in Saratoga Springs and collegewide. The office works closely with law enforcement agencies and first responders throughout New York to ensure a safe, secure, and conducive learning environment for our students and a professional work environment for our faculty and staff.

Safety is everyone’s responsibility. The college community is a great place to work; however, it is not immune to the types of problems seen throughout society. Unfortunately, crime is a reality at every location of Empire State College.

The college’s goal is to provide a safe and secure environment for students, staff, and visitors. However, it is only possible to maintain safety and security when every student and staff member takes an active part in the effort.

The purpose of this publication is to:

- Provide an overview of the Office of Office of Safety and Security;
- Share crime statistics required by the Jeanne Clery, Disclosure of Campus Security Policy and Campus Crime Statistics Act;
- Inform current and prospective students, staff, and visitors about the policies and programs designed;
- Provide information regarding emergency preparedness and planning;
- Distribute public information regarding fire safety and fire-related information.

**COLLEGE LAW ENFORCEMENT**

SUNY Empire State College’s Office of Safety and Security is located in Saratoga Springs. In conjunction with local law enforcement and individual facility management at our various locations, the office works to ensure the overall safety of the college community as a whole. The office is staffed during business hours only, and does not provide 24/7 coverage. The office works cooperatively with law enforcement agencies having jurisdiction at each Empire State College location, and has forged memorandums of understanding for the investigation of crimes. All federal, state, and local laws apply at Empire State College. Representatives of the Office of Safety and Security serve an administrative function and do not have law enforcement authority.
While we have developed policies and procedures to ensure that students and their possessions are protected as much as possible, it is primarily the responsibility of the student, faculty or staff member to provide for his or her own personal safety.

**THE JEANNE CLERY ACT**

**Compliance Statement: The Crime Awareness and Campus Security Act of 1990**

**Clery Campus Crime Statistics**

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is the federal law, originally known as the Campus Security Act, that requires colleges and universities across the United States to disclose information about crime on and around their campuses. The Clery Act also requires reporting crimes on public property not owned or controlled by the college. (SUNY Empire State College is a nonresidential college.)

Colleges and universities are required to publish an annual report every year that contains three years’ worth of campus crime statistics and certain security policy statements including sexual assault policies that assure basic victims’ rights, the law enforcement authority of campus police, Safety and Security and where students should report crimes. The report is to be made available to all current students and employees. Prospective students and employees are to be notified of its existence and given an opportunity to request a copy. It remains the responsibility of the Office of Safety and Security for the collection of crime reports and distribution of the annual crime statistics and report by Oct. 1 of each calendar year.

The SUNY Empire State College “Annual Public Safety Report” is available to all current and perspective Empire State College students and employees upon request.

The “Annual Public Safety Report” includes:

- Statistics on the number of on-campus murders, rapes, robberies, aggravated assaults, burglaries, motor vehicle thefts, bias-related crimes and arrests for weapons possessions, and liquor and drug abuse violations;
- Policies regarding security, access to college and other facilities, and college law enforcement;
- Procedures for reporting crimes and other emergencies;
- Information on college sexual assault and rape awareness programs, procedures to follow when a sex offense occurs, disciplinary action procedures, counseling opportunities, and notification to students that Empire State College will make reasonable changes of a victim’s academic situation if the victim so chooses;
- Policies on the use, possession and sale of alcoholic beverages and illegal drugs; and
- A description of Empire State College programs informing the campus community about alcohol and drug abuse education, crime prevention, and campus security practices.
- Sex offender registry information can be found on the New York State Sex Offender Registry (http://www.criminaljustice.ny.gov/) home page. You also can call 800-262-3257.
- Procedures for emergency response, emergency communications, and emergency evacuation procedures.

**Geographic Locations Used Under the Clery Act**

- **On Campus:** Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution's educational purposes, including residence halls; and any building or property that is within or reasonably contiguous to paragraph 1. of this definition, that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or other retail vendor).

- **Non-campus Building or Property:** Any building or property owned or controlled by a student organization that is officially recognized by the institution; or any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

- **On Public Property:** All public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus.

**Safety and Security – Our Responsibility**

The Office of Safety and Security is responsible for compiling and disseminating the Campus Safety Report annually as required by the Federal Student Right-to-Know Law and Campus Security Act, which was signed into law November 1990. The purpose of this report is to provide Empire State College faculty, staff, students, and prospective students with campus safety information including crime statistics and procedures to follow in order to report a crime. Title II of this act was known as the Crime Awareness and Campus Security Act, which was amended and renamed in 1998 to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, known as the Clery Act. The Clery Act mandates that institutions receiving Title IV federal funds disseminate crime statistics for certain serious offenses that occurred on campus and in adjacent areas for the current reporting year and the previous two calendar years.

**Definitions**

On an annual basis, the Office of Safety and Security solicits information from any and all law enforcement agencies with geographical jurisdiction over any and all Empire State College locations about criminal activity reported to those agencies. *SUNY Empire State College, the New York State Campus Safety Act, Compliance Statement*
Empire State College acknowledges the importance of campus safety and investigating crime. By means of this statement Empire State College adheres to formal plans that provide for the investigation of missing students and violent felony offenses committed on campus. Memorandums of understanding throughout New York have been executed with various local law enforcement agencies to specifically address this issue.

What is the New York State Campus Safety Act?

This law was enacted in 1999. It was prompted by the unexplained disappearance of Suzanne Lyall from the State University of New York at Albany campus in 1998. The reforms made by this law acknowledge that improving campus safety must begin with swift and efficient investigative action and optimum access to missing person information by student’s families and the public. The act:

- Requires all public, private, community colleges, and universities in New York to have formal plans that provide for the investigation of missing students and violent felony offenses committed on campus; and
- Expands the responsibilities of the NYS Division of Criminal Justice Services (DCJS) Missing and Exploited Children Clearinghouse to provide assistance with the dissemination of information about missing college students.

Investigations of Missing Persons

SUNY Empire State College Missing Person’s Compliance Statement

A “missing student” or “missing person,” means any student of Empire State College subject to provisions of section 355 (17) of the New York State Education Law. Empire State College does not operate or employ residence halls. Therefore, any and all persons reported missing to Empire State College, or the Office of Safety and Security will be reported to the Saratoga Springs Police Department or law enforcement having immediate jurisdiction. In 2003, President George W. Bush signed into law “Suzanne’s Law,” requiring police to notify the National Crime Information Center (NCIC) when someone between 18 and 21 is reported missing, as part of the national “Amber Alert” bill.

Memorandums of Understanding

Empire State College, in accordance with the provisions of Procedure #3650, dated July 1, 2004, set forth by the State University of New York, Campus Conduct and Other College Property Used for Educational Purposes, and The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, codified at 20 USC 1092 (f), Crime Awareness and Campus Security Act of 1990 otherwise known as the Campus Safety Act] developed memorandums of understanding with local law enforcement to address enforcement of laws at the college, to assist in the reporting of missing persons and investigate, and respond to violent felony crime under New York Penal Law §70.

Criminal and Incident Reporting

Criminal Offense

If a criminal offense occurs at any of the college's locations, it must be reported immediately. Individuals who are victims of a crime at or near a college facility have the responsibility to report such acts to local police, college officials/campus security authority or the Office of Safety and Security. If the incident is an immediate threat to health, life or safety, the first call should always be to the 911 Center to alert the proper police agency within that location’s jurisdiction. Once the caller is safe, the Office of Safety and Security must be notified. Emergency contact information for local police is located on the college safety and security website. During normal business hours, college officials will be available to assist victims and witnesses in reporting incidents to police. Criminal offenses occurring outside of normal business hours should be reported directly to local law enforcement. The college also has established an after-hours emergency incident reporting number for Safety and Security; this number is 518-587-2100, ext. 2899.

Incident Reporting Procedure

SUNY Empire State College Incident Reporting Procedural Statement

Purpose

Establish guidelines to assist Empire State College community members in reporting of incidents that may occur to students, faculty, and staff. Empire State College is regulated by statute to report specific criminal incidents that have direct correlation to the college. The guidelines that follow will assist individuals in reporting of incidents and streamline the notification process.

Definitions

- Incidents: An incident may be defined as an action or event that is, has or is going to occur, that has an effect on someone or something. For the purposes of this procedure an “incident” is a crime, emergency or incident immediately dangerous to life, health or to the college as a whole.
- Incident report: Official report taken by Empire State College with regards to an incident documenting information regarding said incident. A police agency report will serve as an official report under this definition.

Incident Reporting, Criminal, or Violent Behavior

All college staff, faculty, and students are asked to assist in making the college a safe place by being alert to suspicious situations or persons and reporting them as outlined below. If you witness, are the victim of, or are involved in any on-campus violation of the law such as assault, robbery, theft or overt sexual behavior, local emergency police services should be called at 911 as soon as possible and the following information should be given:

- Nature of the incident
- Location of the incident
- Description of the person(s) involved, injured
- Description of the property involved

In addition, the individual should immediately report the incident to the Office of Safety and Security. Crimes or incidents of a lesser nature including, but not limited to: Property crimes, larceny, and vandalism, are to be immediately reported to the executive director/ regional operations coordinator (or designee). If an individual notices a person(s) acting suspiciously at a Coordinating Center location, he or she should contact the Office of Safety and Security at 518-587-2100, ext. 2800. In all other locations, individuals should contact the executive director/regional operations coordinator (or designee) at the location who will determine if the police need to be contacted.

Incidents requiring medical attention should be reported to local emergency 911 officials. In addition, the individual should immediately report the incident to the executive director/regional operations coordinator (or designee).

In all instances, the Office of Safety and Security will conduct an investigation with the police agency taking the initial report if applicable.
All Empire State College locations located on a SUNY college campus are required to adhere to that respective college’s emergency notification system when incidents occur.

In the event of a critical incident or violent criminal act, Empire State College in conjunction and communication with local law enforcement will, in accordance with the Jeanne Clery Act (34 CFR 668.46(e), issue a “timely warning” and/or “emergency notification” as directed by the Empire State College Emergency Notification and Timely Warning Policy.

Identification of College Campus Security Authorities

The college has designated certain administrators and staff as “campus security authorities” in recognition that many students, faculty, and staff may be hesitant about reporting crimes to local police or the Office of Safety and Security, and may be more inclined to report incidents to non-law enforcement administrators and/or staff instead.

Campus security authorities are employees designated at various college locations that aid in the safety and security of the college community. Campus security authorities may be contacted when someone witnesses or sees an unsafe condition, believes that they are the victim of a crime, or is seeking a referral for drug or alcohol abuse. The college’s Title IX coordinator (Kerianne.Silver@esc.edu) must be contacted in all cases of sex discrimination or sexual violence.

Campus security authorities are charged with reporting to appropriate law enforcement personnel (either the Office of Safety and Security or local police), and college officials who should be made aware of the crime or complaint. A campus security authority is not responsible for determining whether a crime took place, as that is the function of law enforcement and its investigatory process, but rather responsible for making a good faith effort to report the incident and to help prevent further incidences.

A campus security authority is required to report all allegations to law enforcement personnel, even if the campus security authority was told of a crime in the context of providing emotional support or health care support. The allegations will be reported whether or not the victim chooses to file a report with law enforcement or press charges. A campus security authority also may provide a victim or witness with assistance in reporting a crime to the Office of Safety and Security or local police, or to any official or office, which should be informed of the crime or complaint.

Empire State College does not have on-site college counselors, but rather contracts with Talk One-2-One, which is a free 24/7 confidential, third-party, professional counseling service for students. Counseling is provided via telephone and if face-to-face counseling is requested, the phone counselor will help the student locate a provider. The student’s first three sessions are free of charge and then the counselor will work within the student’s health insurance network. These counselors are not campus security authorities, and are therefore exempt from disclosing or reporting allegations of crimes and incidents. However, if for example a dean with a Ph.D. in psychology provides assistance, he/she is acting in his/her role as a dean and not as a counselor. In this case, the dean would not be exempt from the Clery Act reporting requirements.

In addition, as required under, (34 CFR 668.46a), the college has designated certain administrative personnel as “campus security authorities:

- Office of Safety and Security, director, and assistants/designees
- Executive vice president and assistant vice president for administration, and affiliate vice presidents
- Assistant vice president for human resources and labor relations, or designee
- Title IX coordinator/deputy Title IX coordinator
- Provost and vice provosts
- Director of collegewide student affairs, or designee
- Executive directors and regional operations coordinators
- Deans and associate deans
- Directors and coordinators
- President’s Advisory Committee on Security, Threat Assessment team members
- Director of collegewide disability services

Protection and Confidentiality

Nothing in this report will be construed to permit the college, or an officer, employee or agent of the college, participating in any program under this title to retaliate, intimidate, threaten, coerce or otherwise discriminate against any individual with respect to the implementation of any provision of this document.

Empire State College encourages students, faculty, and staff to report all criminal activity that has occurred at an Empire State College location. The report of the criminal activity may be anonymous and the person may request confidentiality.

The Office of Safety and Security, in conjunction with the Office of Academic Affairs, Office of Administration, and local law enforcement agencies, prepares this report to comply fully with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. Statistics are compiled in accordance with the Uniform Crime Reporting System of the Department of Justice and the Federal Bureau of Investigation.

Campus crime, arrest, and referral statistics include those reported to the Office of Safety and Security, and designated campus officials (including Office of Administration, Office of Academic Affairs, Office of the President, Office of Human Resource, academic deans, executive directors), and local law enforcement entities. Crimes are reported that occur on campus, on locations that are contiguous to the campus, and buildings or properties that are either owned or controlled by a campus affiliated entity.

College policy encourages every member of the campus community to report a crime promptly. Information is available and is provided to individuals in reference to voluntary confidential reporting procedures in the event a person does not want to pursue action either within the federal or state criminal justice system or within the university’s discipline system. A procedure is in place to capture crimes statistics, which are disclosed anonymously to Office of Safety and Security.

The data for the annual crime statistics is monitored daily. Every Empire State College campus has a designated campus security authority. The campus security authority, upon receiving notification of a criminal incident on Empire State College property, will verify the circumstances and put the information into the appropriate database. These crime statistics will be published as part of the Empire State College Annual Security Report. Current data also can be disseminated upon request. The campus security authority will inform the Office of Safety and Security on an annual basis upon request the crime statistics reported to them for the previous calendar year. Data received from local law
enforcement is compared to the college’s internal database to ensure accurate reporting.

Each year, an email notification is made to all enrolled students, faculty, and staff that lists the website to access this report. Copies of the report also may be obtained at the Office of Safety and Security located at 2 Union Ave., Saratoga Springs NY 12860-4390. All prospective students may obtain a copy by calling the Office of Safety and Security, the undergraduate or graduate admissions office, or by visiting the Office of Safety and Security (http://www.esc.edu/SafetyAndSecurityAnnualReport/) website.

All prospective employees may obtain a copy by calling the Office of Safety and Security or by visiting the above website.

Of note, the federal Clery Act may define a particular crime differently than it is defined under the New York State Penal Code. For the purposes of this report, the university uses the Clery Act definitions of crimes. Please see herein for the Clery Act definitions.

**Daily Crime Log**

In accordance with The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, Empire State College maintains a “daily crime log.” The information contained in this log identifies incidents and/or crimes reported to the Office of Safety and Security, occurring on or near a college facility. The information contained in this log identifies, but is not limited to, the nature of the crime reported to security or law enforcement, dates and times the incident was reported and occurred, the general location of the incident or crime, and the disposition of the complaint if known. The crime log is available for public viewing during normal business hours at the Office of Safety and Security in Saratoga Springs. The log also may be viewed at one of our regional locations, upon request through the executive director’s office. The most recent 60-day period is open to public inspection, upon request, during normal business hours. Anyone may ask to see the log, whether or not they are associated with the college.

**Procedure to Follow**

For information that is believed to be of interest or concern to the entire college population, the executive vice president for administration will typically notify the Office of the President in advance of sending a collegewide notification.

**What warrants a “timely warning” or “emergency notification?”**

SUNY Empire State College will issue timely warnings for a specific college location or collegewide, depending on the circumstances. Whenever a crime is reported to the Office of Safety and Security, or a local police agency, represents a serious or continuing threat to students and employees, a timely warning will be sent to the entire affected community.

Emergency Notifications will be issued, when the college is made aware of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students and/or employees at a specific college location. Emergency notifications may be targeted at the segment or segments of the college community that are at risk, as appropriate. Emergency notifications will be issued without delay unless doing so would compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

The vice president for administration, or in his or her absence, the assistant vice president for administration, in conjunction with the director of Safety and Security and emergency management, and/or
other college and non-college officials as appropriate, will confirm the existence of a situation that may warrant a timely warning notification and determine the extent of the notification as appropriate. In addition to criminal incidents, emergency notifications may be issued in situations such as, but not limited to:

**Safety Related Issues**

- An incident that occurs in close proximity to any of the college campuses that may potentially affect the personal safety and security of our student, faculty, and staff population.

**Health Related Issues**

- A member of our population is diagnosed with a serious or life threatening communicable/infectious disease.
- Evidence of bio-terrorism.

**Emergency Preparedness, Response, and Evacuation Procedures**

In the event that a situation arises, either on or off campus, that, in the judgment of the director of Safety and Security and emergency management, in conjunction with the vice president for administration/designee, constitutes an ongoing or continuing threat to the campus population, a collegewide timely warning will be issued.

**Emergency Management Plan Synopsis**

This collegewide Comprehensive Emergency Management Plan is designed to outline a plan of action so that emergencies can be dealt with immediately in a logical and coherent manner. The intention of the Emergency Management Plan is not to establish policy, but to create a framework that will allow an immediate response to an emergency. This plan is the result of the recognition by college officials that there is a responsibility to manage emergency and disaster situation on campus and coordinate with all Safety and Security and local government officials. The college recognized that a comprehensive plan was needed which was compliant with HSPD-5, including the National Incident Management Systems (NIMS). The plan also must be consistent with, and closely linked to, county and state plans.

The Comprehensive Emergency Management Plan designates college security, public safety, and local police as the initial contact for reporting all emergency situations and as the central point of communication during the response and resolution of all emergencies.

The Comprehensive Emergency Management Plan is designed to maximize human survival and preservation of property, minimize danger, restore normal operations to Empire State College and assure responsive communications with the college campus community, surrounding regions and the cities in which we function within.

This plan is set in operation whenever a natural or induced emergency reaches proportions that cannot be handled by established measures.

A crisis may be sudden and unforeseen, or there may be varying periods of warning. This plan is intended to be sufficiently flexible to accommodate contingencies of all types, magnitudes and duration.

The Empire State College Comprehensive Emergency Management Plan is put into effect whenever a crisis, man-made or natural, disrupts operations, threatens life, creates major damage, or occurs within the college community and its environments.

**Emergency Response and Evacuation Procedures**

Under the collegewide Comprehensive Emergency Management Plan (CEMP), the college practices regular emergency evacuation drills and fire safety drills.

An emergency or crisis situation can arise at SUNY Empire State College any time and from many causes. Emergencies can range from chemical spills, and fires to bomb threats and explosions, natural disasters, and civil disturbances such as riots or labor unrest.

The SUNY Empire State College, collegewide Comprehensive Emergency Management Plan is a procedural document, which incorporates the Incident Command System for organizing, coordinating, and directing available resources toward the control of an emergency. The plan includes a chain of command establishing the authority and responsibility of various individuals. In emergencies, procedures sometimes must be changed at an instant’s notice; therefore, responsible and knowledgeable persons who know the procedures have the authority to make necessary modifications.

**Procedure to follow**

For information that is believed to be of interest or concern to the entire college population, the threat-assessment team, in conjunction with the Office of Safety and Security, and the vice president for administration, will typically notify the Office of the President in advance of sending a collegewide notification.

The college will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

**ESC Alert (Rave Mobile Safety)**

The college’s mass notification system, powered by Rave Mobile Safety, provides emergency and timely notifications broadcast across multiple channels including email, text message, and RSS (displayed on college websites). All active students with an enrollment within the past 18 months, newly accepted applicants within the past 12 months, and active employees are automatically added to the system. The college automatically notifies via official email address on record. If individuals wish to be notified via text message, or additional email addresses or devices, they should add their additional information to their account at Rave Mobile Safety (http://alert.esc.edu) website. Because emergency and timely notifications are a public safety obligation, the college cannot allow anyone to opt out. For more information about ESC Alert, please visit the ESC Alert (http://www.esc.edu/safety-security/esc-alert/) website.

**SUNY Empire State College Community Responsibility**

All Empire State College community members, including active students with an enrollment within the past 18 months, newly accepted applicants within the past 12 months, and active employees are encouraged to review their profile on the Rave Mobile Safety (http://alert.esc.edu) website; Empire State College will use ESC Alert as the primary method to communicate emergencies and timely notifications to the college community.

**Empire State College Locations on SUNY or Community College Campuses**

- All Empire State College locations residing on a SUNY college campus are required to adhere to that respective college’s emergency notification system when incidents occur.
- The executive director or designee should immediately notify the Office of Safety and Security at the Coordinating Center.
when Empire State College employees are notified of an incident on a SUNY college campus that requires that they take action.

Building Security
Access to Facilities and Security of Building
Most college locations are open to the public during normal business hours. At night and during periods when classes are not in session, college buildings are generally locked. A security access card system is utilized at various locations. Faculty, staff, and a limited number of students, with proper identification are issued keys/access cards to gain entry into buildings. Individuals assigned access cards or keys are responsible for reporting them missing, lost, and/or stolen. Saratoga Springs locations offer a key card access control system for all employees to utilize in gaining access to secure facilities. Additionally, other monitoring devices have been employed to assist with the overall general safety of the community.

Empire State College utilizes various facilities statewide, security at each of our locations may vary slightly depending on existing infrastructure and in-building services provided by individual landlords. Specific questions on a particular locations security may be directed through the Office of Safety and Security or the executive director, or the regional operations coordinator’s office for that specific location.

Campus Facilities
The college’s goal is to provide a campus environment that is as safe and secure as possible. Generally, campus buildings and facilities are not only accessible to members of the campus community but also to the public during normal business hours of 8 a.m. to 5 p.m. During non-business hours, 5 p.m. to 8 a.m., classrooms and office buildings not in use will remain locked. The college details additional access control and building operations under procedures for Security and Access to Campus facilities.

Note: The College operates various locations after normal business hours for the purposes of the college mission; executive directors, and regional operations coordinators have discretion to operate outside of normal business hours.

Security and Access to Campus Facilities Procedure Policy Statement
Empire State College establishes procedures to ensure the safety of its students and employees.

All procedures follow these basic principles.

- Normal business hours: 8 a.m. to 5 p.m., Monday through Friday. Main entrances to facilities will be open and auxiliary entrances shall remain secured unless otherwise accommodated for. Facilities that host after-hour events or provide student instructional services may opt to have entrance times vary. The office manager and executive director of the location are responsible for variances in times. Additionally, at the discretion of the executive director and regional operations coordinator, hours of operation, may vary.
- Holidays and other college closings: All facilities will be closed and secured during state-recognized holidays. Alarm systems will be armed for 24 hours during these dates. Only college personnel with authorization privileges shall be permitted access to the building.
- Special considerations: Empire State College hosts various functions and during these times facilities operate on limited staffing. When a facility remains open the receptionist area of the main entrance will be staffed when possible. In buildings with card access, personnel will utilize this option for access to the facilities. Example – During an event such as the All College Conference in Saratoga Springs, the shipping and receiving area will be the primary point of delivery for all college deliveries during times of reduced staffing.

Other General Information
Visitors and Vendors
All visitors are required to utilize main entrances to facilities. They are then required to sign in at the receptionist desk and obtain a visitor/vendor pass for the day. The receptionist will then contact the individual being sought to notify them of the arrival of their visitor(s).

Employees who organize meetings and events after normal working hours are responsible for the facility while the meeting is in session and for ensuring that the building is secured when they leave. The executive director and regional operations coordinator and/or office manager of remote locations will oversee access and grant privileges. Please also refer to the Building Use Policy. The employee-identification card should be visibly displayed at all times while in college-controlled facilities or while at functions organized by Empire State College.

Access Control and Security System
The purpose of the Access Control and Security System is:

- To improve the security of facilities with an effective policy;
- To comply with collegewide crime prevention and control objectives;
- To enable Empire State College to safeguard the work facilities;
- To simplify locking policies;
- To eliminate key duplication;
- To eliminate unauthorized access;
- To eliminate the necessity of emergency re-keying and re-coring; and
- To satisfy security concerns of students, faculty, and staff.

SUNY Empire State College Student ID Number
At SUNY Empire State College, your social security number will not be used as your student identifier. You will be assigned a registration number, which will be used to identify your records at the college.

Physical Maintenance of Facilities
The overall maintenance of locations in Saratoga Springs is conducted through the Office of Administration and Facilities. Deficiencies found at Saratoga Springs locations are to be reported to Facilities at 518-587-2100, ext. 2925. The Office of Safety and Security, in conjunction with Facilities, conducts periodic safety inspections. Overall hazards are identified and corrected. Physical security, lighting, and general safety items are identified and addressed in a timely manner.

Physical deficiencies or hazards found or identified at other Empire State College locations must be reported directly to the executive director or regional operations coordinator. The individual maintenance companies or property owners of that respective site correct the deficiencies identified. However, any emerging hazard or deficiency that is of a critical nature also should be reported to the Office of Safety and Security in Saratoga Springs at 518-587-2100, ext. 2800.

Security Programs
Crime Prevention Programs
The college provides specialized trainings and crime prevention programs primarily for faculty and staff on an ongoing basis. No formal crime prevention programs for students exists at this time, however,
security prevention links are listed on the Empire State College (http://www.esc.edu) website.

Empire State College is a non-residential college campus. Students are mature adults who live and work in their own communities; many of these communities publicize safety measures and crime prevention information. The Office of Safety and Security (http://www.esc.edu/safety-security/) website has direct links to local police agencies across New York state, some of these agencies may list information on personal safety initiatives.

All employees are advised of building security procedures, personal safety awareness, and workplace/domestic violence programs when they begin employment with the college during “new employee orientation” sessions.

Annual notification regarding specific policies and procedures can be found within this section of the catalog. Specific policy information regarding “Workplace Violence and Domestic Violence” may be located at the Safety and Security website.

**Off-campus Criminal Activity**

Empire State College is a non-residential college with no dorms or off-site housing. Off-site groups or associations in a living environment associated with the college do not exist. The Office of Safety and Security works frequently and collaboratively with local law enforcement to identify crimes or incidents that occur on or near college facilities. All events conducted in conjunction with Empire State College, which take place off premises, are considered college events and must follow procedures and codes of conduct in adherence with college policy.

**Campus Sex Crimes Prevention Act of 2000**

The act sets requirements for sexual offender registration and community notification. The Campus Sex Crimes Prevention Act of 2000 provides for the tracking of convicted sex offenders enrolled at, or employed by, institutions of higher education. It requires sex offenders, already required to register in a state, to provide notice of each institution of higher education in that state in which that person is employed, carries on a vocation or is a student. The act amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

Information is listed at the New York Division of Criminal Justice Services’ Sex Offender Registry (http://www.criminaljustice.ny.gov/). You may also contact the NYS DCJS Sex Offender Registry at 518-457-5837 or 800-262-3257.

**Sexual Offender Registry**

The Sex Offender Registration Act requires the Division of Criminal Justice Services (DCJS) to maintain a Sex Offender Registry. The registry contains information on classified sex offenders according to their risk of re-offending: Low risk (level 1), moderate risk (level 2), and high risk (level 3). The act requires that the division also maintain a sub-directory of level 3 sex offenders. The DCJS Sex Offender Registry site may be found on the web and contains their sub-directory of level 3 sex offenders as well as other information regarding the New York State Sex Offender Registry (referred to as “the registry”).

Sex offenders registered in New York are now required to notify the registry of any institution of higher education at which he or she is, or expects to be, whether for compensation or not, enrolled, attending, or employed, and whether such sex offender resides or expects to reside in a facility operated by the institution. Changes in status at the institution of higher education also must be reported to the registry no later than 10 days after such change.

Empire State College will maintain a website link to the New York State Sex Offender Registry and local law enforcement that maintain listings of registered sex offenders.

Correction Law §168-b requires that Division of Criminal Justice Services (DCJS) include this information regarding an institution of higher education on its registry.

**Sexual Assault, Domestic Violence, Dating Violence and Stalking Prevention, and Response Policies**

Empire State College is committed to maintaining a safe environment that is supportive of its primary educational mission and free from all exploitation and intimidation. The college will not tolerate sexual harassment, sexual assault or any other form of non-consensual sexual activity to include dating violence, domestic violence, and/or stalking.

It is essential that students who are sexually assaulted receive support and medical treatment as soon as possible. This document outlines the policies and procedures that will allow members of the college community to be effective at referring victims of assault to medical, psychological, and legal resources. The college’s Student Code of Conduct provides additional information for students.

This policy reflects SUNY’s Policies on Sexual Violence Prevention and Response and is in compliance with NYS law, chapter 75 of the laws of 2015.

**Policy for Alcohol and/or Drug Use Amnesty in Sexual Violence Cases**

The health and safety of every student at the State University of New York and its state-operated and community colleges is of utmost importance. Empire State College recognizes that students who have been drinking and/or using drugs, whether voluntarily or involuntarily, at the time that violence, including, but not limited to domestic violence, dating violence, stalking or sexual assault, may be hesitant to report such incidents due to fear of potential consequences for their own conduct. Empire State College strongly encourages students to report incidents of domestic violence, dating violence, stalking, or sexual assault to college officials. A bystander or reporting individual acting in good faith, who discloses any incident of domestic violence, dating violence, stalking, or sexual assault to Empire State College officials or law enforcement, will not be subject to the college's code of conduct for violations of alcohol and/or drug use policies at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual assault.

**Campus Climate Assessment Policy**

Student Climate assessments will be conducted every two years to provide college administrators the opportunity to better understand student concerns and to make informed decisions about providing a safe educational environment. (Refer to SUNY Sexual Violence Prevention and Response Policies (http://system.suny.edu/sexual-violence-prevention-workgroup/policies/))

When a No Contact Order is put in place in cases involving domestic violence, dating violence, sexual assault or stalking, both the accused and the reporting individual may request a prompt review of the need for and terms of a No Contact Order, consistent with college policy. Parties may submit evidence in support of their request.

- To an explanation of the consequences for violating these orders, including, but not limited to, arrest, additional conduct charges, and interim suspension.
- To have assistance from the Office of Safety and Security when an individual violates an Order of Protection or to call on and assist local law enforcement in facilitating an arrest for violating such an order.
- When the accused is a student and presents a continuing threat to the health and safety of the community, to have the accused subjected to interim suspension, pending the outcome of a conduct process. Parties may request a prompt review of the need for and terms of an interim suspension.
- When the accused is not a member of the college community, to have assistance from the Office of Safety and Security or other college officials in obtaining a persona-non-grata letter, subject to legal requirements, and college policy.
- To obtain reasonable and available interim measures and accommodations that effect a change in academic, employment, or other applicable arrangements, in order to ensure safety, prevent retaliation, and avoid an ongoing hostile environment. 4. Student Conduct Process

To request that student-conduct charges be filed against the accused: Conduct proceedings are governed by the procedures set forth in the Empire State College undergraduate and graduate catalogs as well as
federal and New York state law, including the due process provisions of the United States and New York state constitutions.

• Throughout conduct proceedings, the respondent, and the reporting individual will have:
  • The same opportunity to be accompanied by an advisor of their choice, who may assist and advise the parties throughout the conduct process and any related hearings or meetings. Federal law and the Student Code of Conduct govern participation of the advisor in any proceeding.
  • The right to a prompt response to any complaint and to have the complaint investigated and adjudicated in an impartial, timely, and thorough manner by individuals who receive annual training in conducting investigations of sexual violence, the effects of trauma, impartiality, the rights of the respondent, including the right to a presumption that the respondent is “not responsible” until a finding of responsibility is made, and other issues related to sexual assault, domestic violence, dating violence, and stalking.
  • The right to an investigation and process conducted in a manner that recognizes the legal and policy requirements of due process (including fairness, impartiality, and a meaningful opportunity to be heard) and is not conducted by individuals with a conflict of interest.
  • The right to receive advance written or electronic notice of the date, time, and location of any meeting or hearing he or she is required or eligible to attend. Accused individuals will be told the factual allegations concerning the violation, a reference to the specific code of conduct provisions alleged to have been violated and possible sanctions.
  • The right to due process concurrent with a criminal justice investigation and proceeding, except for temporary delays, as requested by external municipal entities, while law enforcement gathers evidence. Temporary delays should not last more than 10 days, except when law enforcement specifically requests and justifies a longer delay.
  • The right to offer evidence during an investigation and to review available relevant evidence in the case file, or otherwise held by the college.
  • The right to present evidence and testimony at a hearing, where appropriate.
  • The right to a range of options for providing testimony via alternative arrangements, including telephone/video conferencing, or testifying with a room partition.
  • The right to exclude prior sexual history with persons other than the other party in the conduct process, or the other party’s mental health diagnosis or treatment that may determine responsibility. Past findings of domestic violence, dating violence, stalking or sexual assault may be admissible in the disciplinary stage that determines sanction.
  • The right to ask questions of the decision maker and, via the decision maker, indirectly request responses from other parties, and any other witnesses present.
  • The right to make an impact statement during the point of the proceeding where the decision maker is deliberating on appropriate sanctions.
  • The right to simultaneous (among the parties) written or electronic notification of the outcome of a conduct proceeding, including the decision, any sanctions, and the rationale for the decision and sanctions.
  • The right to written or electronic notice about the sanction(s) that may be imposed on the accused, based upon the outcome of the conduct proceeding. For students found responsible for sexual assault, the available sanctions are suspension with additional requirements and expulsion/dismissal.
  • Access to at least one level of appeal of a determination before a panel, which may include one or more students, that is fair and impartial and does not include individuals with a conflict of interest.
  • The right to access to a full and fair record of a student conduct hearing, which shall be preserved and maintained for at least five years.

• Office of Collegewide Student Affairs, 1 Union Ave., Saratoga Springs, NY 12866-4309; Kerianne.Silver@esc.edu, 518-587-2100, ext. 2389
  • The right to choose whether to disclose or discuss the outcome of a conduct hearing.
  • The right to have all information obtained during the course of the conduct or judicial process be protected from public release, until the appeals panel makes a final determination, unless otherwise required by law.

Options for Confidently Disclosing Sexual Violence
The State University of New York and Empire State College want students to get the information and support they need, regardless of whether they move forward with a report of sexual violence to college officials, or to police. Students are encouraged to talk with someone about something they have observed or experienced, even if they are unsure that the behavior constitutes sexual violence. A conversation where questions can be answered is far superior to keeping something to yourself. Confidentiality varies, and this document is aimed at helping you understand how confidentiality applies to different resources that may be available to you.

Privileged and Confidential Resources
Individuals who are confidential resources will not report crimes to law enforcement or college officials without the victim’s permission, except for extreme circumstances, such as a health and/or safety emergency. At Empire State College, a confidential service includes an off-campus professional counseling service: Talk One-2-One (http://www.studenttalkone2one.com) (800-756-3124). This is a free, confidential, third-party, certified confidential counseling service.

Off-campus options to disclose sexual violence confidentially include:

• Off-campus counselors and advocates**
  - Crisis services offices will generally maintain confidentiality unless you request disclosure and sign a consent or waiver form. More information on an agency’s policies on confidentiality may be obtained directly from the agency.
    - New York State Coalition against Sexual Assault (http://nyscaso.org)
    - Sexual Assault Nurse Examiner (SANE) at local hospitals and programs
• Off-campus healthcare providers
• Medical office and insurance billing practices may reveal information to the insurance policyholder, including medication and/or examinations paid for or administered. The New York State Office of Victim Services (https://ovs.ny.gov/) may be able
to assist in compensating victims/survivors for health care and counseling services, including emergency compensation. More information may be found on their website or call 800-247-8035.

* Note: These outside options do not provide any information to the campus.

** Note that even individuals who can typically maintain confidentiality are subject to exceptions under the law, including when an individual is a threat to him or herself or others and the mandatory reporting of child abuse.

Privacy versus Confidentiality
Even Empire State College offices and employees who cannot guarantee confidentiality will maintain your privacy to the greatest extent possible. The information you provide to a non-confidential resource will be relayed only as necessary to investigate and/or seek a resolution and to notify the Title IX coordinator or designee, who is responsible under the law for tracking patterns and spotting systemic issues. Empire State College will limit the disclosure as much as possible, even if the Title IX coordinator determines that the request for confidentiality cannot be honored.

Requesting Confidentiality: How Empire State College Will Weigh the Request and Respond
If an incident is disclosed to an Empire State College employee who is responsible for responding to or reporting sexual violence or sexual harassment, but wish to maintain confidentiality, or do not consent to the college’s request to initiate an investigation, the Title IX coordinator must weigh the request against their obligation to provide a safe, nondiscriminatory environment for all members of our community, including the reporting individual.

The college will assist in making academic, employment, and other reasonable and available accommodations, regardless of the reporting individuals reporting choices. While reporting individuals may request accommodations through various college offices, the following office serves as a primary point of contact to assist with these measures: Kerianne Silver, Title IX Coordinator, SUNY Empire State College, 1 Union Ave., Saratoga Springs NY 12866-4390; 518-587-2100, ext. 2389; Kerianne.Silver@esc.edu.

The college may take proactive steps, such as training or awareness efforts, to combat sexual violence in a general way that does not identify the reporting individual or the situation they disclosed.

The college may seek consent from reporting individual prior to conducting an investigation. The reporting individual may decline to consent to an investigation, and that determination will be honored unless the college’s failure to act does not adequately mitigate the risk of harm to you or other members of the college community. Honoring such request may limit the college’s ability to meaningfully investigate and pursue action against an accused individual. If the college determines that an investigation is required, the reporting individual will be notified and immediate action will be taken, as necessary, to provide protection and assistance.

When a reporting individual discloses an incident to someone who is responsible for responding to or reporting sexual violence or sexual harassment, but wish to maintain confidentiality, Empire State College will consider many factors to determine whether to proceed despite that request. These factors include, but are not limited to:

- Whether the accused has a history of violent behavior or is a repeat offender
- Whether the incident represents escalation, such as a situation that previously involved sustained stalking
- The increased risk that the accused will commit additional acts of violence
- Whether the accused used a weapon or force
- Whether the reporting individual is a minor
- Whether we possess other means to obtain evidence such as security footage, and whether the report reveals a pattern of perpetration at a given location, or by a particular group.

If the college determines that it must move forward with an investigation, the reporting individual will be notified and the college will take immediate action, as necessary, to protect and assist him or her.

Public Awareness/Advocacy Events
If an individual discloses a situation through a public awareness event, such as “Take Back the Night,” candlelight vigils, protests through a student organization or other event or forum, or other public event, the college is not obligated to begin an investigation. Empire State College may use the information provided to inform the need for additional education and prevention efforts.

Institutional Crime Reporting
Reports of certain crimes occurring in certain geographic locations will be included anonymously in the college Clery Act Annual Security Report that neither identifies the specifics of the crime or the identity of the reporting individual. Contact information:

- Director of Safety and Security and emergency management, 518-580-2900
- Title IX coordinator, 518-587-2100, ext. 2389

Empire State College is obligated to issue timely warnings of Clery Act crimes occurring within relevant geography that represent a serious or continuing threat to students and employees (subject to exceptions when potentially compromising law enforcement efforts and when the warning itself could potentially identify the reporting individual or victim/survivor). A reporting individual will never be identified in a timely warning.

The Family Educational Rights and Privacy Act (FERPA) allows institutions to share information with parents when: 1) there is a health or safety emergency, or 2) when the student is a dependent on either parent’s prior year federal income tax return. Generally, SUNY Empire will not share information about a report of sexual violence with parents without the permission of the reporting individual.

Bias-Related Crime and Hate Crime  
Empire State College takes bias crimes seriously. The college provides the following information to students and employees to assist in the prevention of and response to bias crimes. This statement meets the requirements of the New York State Hate Crimes Act of 2000 (Penal Law Article 485). Copies of the New York law are available on Empire State College (http://www.esc.edu) college's website.

Bias Crimes, Definitions  
Hate crimes, also called bias crimes or bias-related crimes, are criminal activities motivated by the perpetrator's bias or attitude against an individual victim or group based on perceived or actual personal characteristics, such as race religion, ethnicity, gender identity, sexual orientation, national origin or disability.

Penalties for bias-related crimes are very serious and range from fines to imprisonment for lengthy periods, depending on the nature of the underlying criminal offense, the use of violence or previous convictions of the offender.

If you are the victim of, or witness to, a hate/bias crime at a college location or event, report it to the appropriate local police agency. Since college services are delivered through locations across the state and the college does not have its own police force, we rely on local law enforcement to respond to reported crimes at our locations.

Bias-Related Incidents or Crimes  
Bias incidents directed at a member of a group within Empire State College that does not rise to the level of a crime include bigotry, harassment or intimidation based on national origin, ethnicity, race, age, religion, gender identity, sexual orientation, disability, veteran status, color, creed or marital status. Such incidents may be addressed through the State University's Discrimination Complaint Procedure or the college's Student Conduct Policy and Procedures. Bias incidents can be reported to the following individual.

Victims of bias crimes or incidents may seek counseling services from their own health care providers. The college does not offer on-site counseling services.

Drug and Alcohol Prevention Program  
Standards of Conduct  
Empire State College policy prohibits the unlawful possession, use or distribution of illicit drugs and the abuse of alcohol by students and employees on college property or as part of the college's activities. The college has a wellness website which informs students about addiction and where to obtain assistance. In addition, sessions are offered at the student wellness retreat covering drug and alcohol prevention and recovery.

Employees may seek additional information on the Office of Human Resources (http://www.esc.edu/HR/) website.

Health Risks  
There are significant psychological and physiological health risks associated with the use of illicit drugs and alcohol. Physical addiction, loss of control, and withdrawal syndrome, as well as serious damage to vital organs of the body can result from drug and alcohol abuse. Further information is available from regional locations or the Office of Academic Affairs (https://www.esc.edu/academic-affairs/).

Federal, State, and Local Legal Sanctions  
Conviction for possession and sale of controlled substances carries a number and variety of penalties under New York State Penal Law (http://ypdcrime.com/penal.law/). These range from fines to prison terms of 15 years to life, depending upon the nature of the substance, the criminal act and the character of the crime. Federal Trafficking Law convictions also carry a variety of penalties, which range from five to 30 years in prison and substantial fines. These sanctions are described in materials, which are available at the regional locations or the Office of Academic Affairs.

Disciplinary Sanctions – Students  
A student accused of possession/use of or distribution of alcohol or drugs will be subject to the college's Student Conduct Policy and Procedures in the catalog. Sanctions for those found responsible may include written warning, suspension or expulsion.

Alcohol Policy  
Alcohol and Drug Use in the Workplace  
In compliance with the Federal Drug Free Schools and Communities Act of 1988 and the New York State Policy on Alcohol and Controlled Substances in the Workplace, the Empire State College policy prohibits the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance, and the abuse of alcohol by students and employees on college property or as part of the college's activities.

New York state prohibits on-the-job use of, or impairment from, alcohol and controlled substances.

Campus Drug Policy  
Empire State College is committed to promoting a drug-free campus environment.

Consistent with the Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-226), all students and employees are advised that individuals who violate federal, state, or local laws and campus policies are subject to college disciplinary action and criminal prosecution. Local police have full authority to enforce all federal and state drug laws.

New York State Law  
Articles 220 and 221 of the New York State Penal Law set criminal penalties for possession or sale of drugs considered harmful or subject to abuse. The seriousness of the offense and penalty imposed upon conviction depend upon the individual drug and amount held or sold. The student Code of conduct also may apply.

Domestic Violence - Workplace Violence Initiative

Executive Order 19, issued on Oct. 22, 2007, requires all state agencies
to adopt a Domestic Violence and the Workplace Policy by Aug. 1, 2008.
The Office for the Prevention of Domestic Violence (OPDV) has been
charged with the responsibility of developing a model policy and sample
implementation procedures by Feb. 1, 2008. The workplace violence
initiative program, training outline, and policies Empire State College
adheres to are located on the Office of Safety and Security (http://
www.esc.edu/safety-security/) website. Refer to paragraph SAFETY
PROGRAMS AND SERVICES regarding safety programs and services for
domestic violence and workplace violence.

Weapons Possession

College policy prohibits, unauthorized possession or use of firearms,
explosive devices, fireworks, dangerous or illegal weapons, or hazardous
materials.

Safety Guidelines for Armed Subjects, Active Shooter Situations

An active shooter is a person who appears to be actively engaged in
killing or attempting to kill people in a populated area. In most cases,
active shooters use firearm(s) and there is no pattern or method to their
selection of victims. These situations are dynamic and evolve rapidly,
demanding immediate deployment of law enforcement resources to stop
the shooting and mitigate harm to innocent victims. This section provides
guidance to persons who may be caught in an active shooter situation,
and describes what to expect from responding police officers.

What Should You Do

In general, how you respond to an active shooter will be dictated by the
specific circumstances of the encounter, bearing in mind there could be
more than one shooter involved in the same situation.

If you find yourself involved in an active shooter situation, try to remain
calm and use these guidelines to help you plan a strategy for survival.

• If an active shooter is outside your building, proceed to a room
that can be locked, close and lock all the windows and doors,
and turn off all the lights; if possible, get everyone down on the
floor and ensure that no one is visible from outside the room.

One person in the room should call 911, advise the dispatcher
of what is taking place, and inform him/her of your location;
remain in place until the police or a campus administrator
known to you, gives the “all clear.” Unfamiliar voices may be the
shooter attempting to lure victims from their safe space; do

not respond to any voice commands until you can verify with certainty that they are being issued by a police officer.

- **If an active shooter is in the same building you are,** determine if the room you are in can be locked. If so, follow the same procedure described in the previous paragraph. If your room can’t be locked, determine if there is a nearby location that can be reached safely and secured, or if you can safely exit the building. If you decide to move from your current location, be sure to follow the instructions outlined below.

- **If an active shooter enters your office or classroom,** try to remain calm; dial 911, if possible; and alert police to the shooter’s location. If you can’t speak, leave the line open so the dispatcher can listen to what’s taking place. Normally the location of a 911 call can be determined without speaking. If there is absolutely no opportunity to escape or hide, it might be possible to negotiate with the shooter; attempting to overpower the shooter with force should be considered a last resort, after all other options have been exhausted. If the shooter leaves the area, proceed immediately to a safer place and do not touch anything that was in the vicinity of the shooter.

- **No matter what the circumstances,** if you decide to flee during an active shooting situation, make sure you have an escape route and plan in mind. Do not carry anything while fleeing; move quickly; keep your hands visible; and follow the instructions of any police officers you may encounter. Do not attempt to remove injured people; instead, leave wounded victims where they are and notify authorities of their location as soon as possible. Do not try to drive off campus until advised it is safe to do so by police or campus administrators.

**What to expect from responding police officers**

Police officers responding to an active shooter are trained to proceed immediately to the area in which shots were last heard; their purpose is to stop the shooting as quickly as possible. The first responding officers may be dressed in regular patrol uniforms, or they may be wearing external bulletproof vests and helmets, as well as other tactical equipment. The officers may be armed with rifles, shotguns or handguns, and might be using Tasers, pepper spray or tear gas to control the situation. Regardless of how they appear, remain calm, do as the officers tell you, and do not be afraid of them. Put down any bags or packages you may be carrying and keep your hands visible at all times. If you know where the shooter is, tell the officers. The first officers to arrive will not stop to aid injured people; rescue teams composed of other officers and emergency medical personnel will follow the first officers into secured areas to treat and remove injured persons. Keep in mind that even once you have escaped to a safe location, the entire area is still a crime scene; police will usually not let anyone leave until the situation is fully under control and all witnesses have been identified and questioned. Until you are released, remain at whatever assembly point authorities designate.

**Firearms Policy**

Empire State College (in accordance with the SUNY policies and regulations*) prohibits any person from possessing firearms at any college facility or college sponsored event without the written authorization of the college’s chief administrative officer. This policy specifically applies to law enforcement officials who may otherwise be authorized to carry firearms while off duty.

This policy prohibiting the possession of firearms does not apply to law enforcement officials in pursuit of official duty when authorized by federal or state law. For purposes of this policy, law enforcement officers who are required to carry firearms while taking on-duty breaks shall be considered to be in “pursuit of official duty” when on such breaks.

*The following SUNY policies and regulations apply: 8 NYCRR Part 590 – SUNY’s regulations relating to firearms; SUNY’s Policy for Firearms on State Operated Campuses; 8 NYCRR Part 535 SUNY’s regulations for the maintenance of public order.

**Safety Programs and Services**

The Office of Safety and Security offers safety programs and services throughout the year and/or upon request. The focus of these programs and services changes depending on the need. Currently, the following are offered:

- **Violence Against Women Act and Workplace Violence Awareness and Prevention Training.** Offered by the Office of Safety and Security and the Office of the President, the training session provides participants with information related to workplace violence, including risk factors, key elements, definition and types of workplace violence, and more. The Office of Safety and Security also conducts training on Active Shooter Threat Awareness/Explosive Threat Awareness throughout the year, and is available to all locations statewide.

- **Publications.** Local police departments have various publications available that address problems such as date rape, alcohol abuse, and theft. Listed on the Safety and Security website are various links to police agencies across New York that our locations operate within.

- **Lighting.** The college locations are routinely surveyed to ensure that exterior areas are adequately illuminated at night. Trees and shrubs that impair lighting along walks are trimmed as needed.

- **Building Security.** Each individual location operated by Empire State College utilizes various methods of building security. Personnel at college locations are instructed to report any suspicious situations to the police immediately.

- **Collegewide Public Safety Committee.** The committee will assess, evaluate, and monitor the safety and security of the Empire State College community through information gathering, policy review and proposal generation to the administration. The committee is comprised of nine members of the college community and will consist of 50 percent women, one-third students* and one-third faculty.* [Reference SUNY Policy #5401] The committee will convene twice per year. They also will review and make recommendations concerning safety for the college community, meet with the president yearly, as well as submit an annual report.

**Drug Prevention Programs**

**Counseling Services**

All students have free access to a counselor by phone, 24 hours a day, 7 days a week. No issue is too big or small to call a counselor and discuss. If face to face counseling is needed or requested, the phone counselor will help the student locate a provider. Students are entitled to have five face-to-face sessions at no cost to them. The number to call to access the free Talk One-2-One service that is available to all students for counseling is 800-756-3124.

**Standards of Conduct**

Empire State College policy prohibits the unlawful possession, use or distribution of illicit drugs and the abuse of alcohol by students and employees on college property or as part of the college’s activities.
Health Risks
There are significant psychological and physiological health risks associated with the use of illicit drugs and alcohol. Physical addiction, loss of control, and withdrawal syndrome, as well as serious damage to vital organs of the body can result from drug and alcohol abuse. Further information is available from college locations or the Office of Academic Affairs.

Federal, State, and Local Legal Sanctions
Conviction for possession and sale of controlled substances carries a number and variety of penalties under New York state law. These range from fines to prison terms of 15 years to life, depending upon the nature of the substance, the criminal act, and the character of the crime. Federal Trafficking Law convictions also carry a variety of penalties, which range from five to 30 years in prison and substantial fines. These sanctions are described in materials, which are available at the college locations or the Office of Academic Affairs.

Disciplinary Sanctions – Students
A student accused of possession/use of or distribution of drugs will be subject to the college’s Student Conduct Policy and Procedures (see page 99). Sanctions for those found responsible may include written warning, suspension or expulsion.

STUDENT CLUBS AND ORGANIZATIONS
The college passed a clubs and organizations recognition policy in March 2010. The development of formally recognized clubs and organizations began shortly after this. Several informal groups meet at the college's regional locations. You should inquire with your student service coordinator for more information about available clubs.

If you are interested in starting a new club or organization at the college, the policy below will get you started. You should contact Kimberly Neher, Associate Director of Alumni and Student Relations, (Kimberly.Neher@esc.edu) for more information.

Recognition Policies
I. Only officially recognized organizations may use the name of the State University of New York or Empire State College (the college) for identification purposes, obtain organizational privileges in the use of the college's facilities and services, or imply college sponsorship or approval of their activities.

II. Recognition (or withdrawal of recognition) of a group as a college organization is an executive responsibility of the president, acting on behalf of the chancellor and trustees of the State University of New York. Responsibility for the coordination of policy development and for the administration of recognition procedures in the case of organizations having students as full members is delegated to the director of alumni and student relations. The final decision to grant or withdraw recognition rests with the president or his or her designee.

III. Determination of criteria for membership and for active status is the prerogative of each organization, insofar as it is consistent with state and federal law. No organization may restrict its selection of members or assignment of voting privileges, rank or office based on illegal differentiation or based on an individual's previous affiliations. There will be no discrimination based on race, gender, color, religion, age, national origin, disability or sexual orientation. The names, purposes, and procedures of organizations must reflect this policy of nondiscrimination.

IV. Local affiliates of national organizations must be entirely free to select individual members from among the generally qualified; outside approval shall not be required.

V. Gender-associated or otherwise circumscribed names should not be interpreted as denying or prohibiting membership to any person wishing to join any registered organization, or to participate in its activities. Students are free to select any group of their choosing.

VI. Each group applying for recognition must agree to abide by all regulations of the college and the State University of New York. Applications of original recognition or renewed recognition will be submitted to the director of alumni and student relations. Each application for recognition must include the following information:

- A brief statement of the organization’s purpose and proposed activities
- Membership requirements
- Sources of income and costs to members
- Assurance of responsible financial accounting to its membership
- A list of current officers with their addresses and phone numbers, including national or regional officer, if applicable
- Name of college faculty/professional advisor

VII. Any constitution approved by organization members must be submitted to the director of alumni and student relations. All information required in the application for recognition (as detailed above) must be furnished separately.

VIII. Student organization credentials are maintained by Alumni and Student Relations and must be renewed or updated yearly. Failure to renew credentials or to comply with other college regulations will result in temporary or permanent withdrawal of official recognition.

IX. Recognition of student groups by the college will not extend beyond the college facilities. Any activities by student groups beyond college locations are the responsibility of individual students and not campus administration. Events and meetings held at college locations must be approved and registered with the director of alumni and student relations and the dean. The director and relevant dean may approve, for posting purposes only, announcements of off-campus events.

X. Student organizations bringing discredit upon themselves or the college may lose their recognition at the discretion of the president.

XI. Any organization that receives financial assistance from the student activity fee fund must maintain all deposits in an account administered by Alumni and Student Relations. For further information on procedures, please contact Alumni and Student Relations.

Note: All informal groups meeting on a regular or ad hoc basis are not bound by this policy. Any group desiring official college recognition and financial assistance must submit an application and is subject to all policies described above.

TIME LIMIT FOR DEGREE COMPLETION POLICY
The graduate program (master’s and/or certificate) must be completed within six years of initial enrollment. If a student exceeds the six-year time limit, he or she may be permitted to continue if:
• The head of the student's program approves continuation, but courses which are older than six years will not be counted toward the degree; or
• The dean of the School for Graduate Studies grants a waiver of the six-year rule. The student needs to make this request in writing and in consultation with his or her academic advisor and program chair/Coordinator. The dean will consider the request based upon factors such as special hardship, excellence of work, and closeness to completion. The request for a waiver may be sent to the dean at Graduate_Dean's.Office@esc.edu (Graduate_Dean%D5s.Office@esc.edu).

GRADUATE TRANSFER, CROSS-REGISTRATION, AND EVALUATED CREDIT POLICY

Students may transfer, cross-register, and/or earn evaluated credit for up to a combined total of 12 credits into master's programs in the School for Graduate Studies and up to 3 credits into the school's advanced certificate programs.

To be eligible for consideration, these transfer or cross-registration credits must be:

• Graduate level;
• From a regionally accredited college or university;
• A final grade of B or better;
• Related to the student's program/content area; and
• No more than seven years old at the time of the student's admission to the graduate program.

A student begins the transfer request process by having an official transcript and course syllabus of all credit he or she wishes to be considered sent to the School for Graduate Studies:

• For master's programs that require an approved formal degree program (DP), the student discusses transfer credit during degree planning with his or her academic advisor. Transfer credit approval is at the discretion of the program faculty.
• For all other programs, requests for transfer credit from prior academic work are made at the time of application. Transfer credit approval is at the discretion of the program faculty. Post admission, requests for transfer credit may be made to the program coordinator or division chair for programs without a coordinator, in the School for Graduate Studies. Approval is at the discretion of the program coordinator or division chair for programs without a coordinator, in the School for Graduate Studies.

Before cross-registering for a course, students should receive approval from the program coordinator or division chair for programs without a coordinator, in the School for Graduate Studies. Approval is at the discretion of the program coordinator or division chair for programs without a coordinator.

The ability to earn credit by evaluation is determined at the program level. Individual programs that allow for credit by evaluation are identified in the Graduate Catalog.

A graduate student may satisfy no more than a combined total of 50% of the credits toward a graduate certificate or degree program using transfer, cross registration, evaluated credit (e.g., prior learning assessment or direct assessment), and shared credits from a previously awarded graduate credential at the same level. See the Graduate Subsequent Programs at the Same Credential Level Policy for specific rules on the use of shared credits from a previously awarded graduate credential.

Schools and individual programs may set lower limits for transfer, cross registration, and evaluated credit. See the Graduate Catalog for individual program limits.

Students may appeal any decision made about transfer credit as outlined in the academic appeals policy and procedures.

UNDERGRADUATE ENROLLMENT IN GRADUATE COURSES Policy

An advanced undergraduate student (within the last 32 credits of the bachelor's program) with a concurred degree program may apply to take up to 9 credits of selected graduate coursework as determined by the appropriate graduate program chair or coordinator (but only six hours during a single term) related to the student's undergraduate degree program. If the student is permitted to enroll, the graduate-level course(s) must be used in the Undergraduate degree program and graduate-level course expectations and grading policies apply.

Students and mentors should consult with the appropriate program chair or coordinator as they develop a degree program plan that includes graduate study.

The appropriate program chair determines eligibility on a course-by-course basis, in consultation with the student’s primary mentor and other mentors as appropriate. Decision criteria include: 1) The student's preparedness for graduate study based on the academic record, 2) The student's rationale for enrolling in graduate courses, and 3) The availability of space in the course(s). The graduate course(s) will be used toward the undergraduate degree (subject to undergraduate degree program review). Additionally, if the student is accepted within two years to the graduate program to which the courses apply, those course(s) will apply toward that graduate program.

UNDERGRADUATE CONSULTATION WITH PRIMARY MENTOR

The undergraduate student consults with his/her primary mentor to determine if she/he is ready for graduate-level study, if graduate study is appropriate to his/her goals, and if so, what courses would be relevant to his/her degree program. Some indicators of readiness to engage in graduate study are that students will have been highly successful in upper-level courses/studies demonstrating strong writing and critical thinking skills, and have completed any prerequisites required for a particular course.

The student completes and signs the application for enrollment in graduate courses, acknowledging the expectations of graduate-level study and grading.

Appeals

Appeals of decisions would follow the college's academic appeals process and formal appeals would be referred to the appropriate division. For example, appeals of decisions not to allow a student to participate in a graduate course would be directed to SGS, and appeals of decisions about the appropriateness of such a course to the undergraduate program would be directed to the student's undergraduate division.

VISITORS TO INSTRUCTIONAL ACTIVITIES

Instructional activities are not normally accessible to those outside the Empire State College community other than on the basis of invitation. All of the college's instructional activities, including individual faculty/student meetings, group studies, online courses and group sessions at
residencies, are intended to foster academic inquiry in an atmosphere supportive of academic freedom.

Attendance at instructional activities is normally limited to the students enrolled for the activity and the instructor(s). On occasions provided for in faculty evaluation procedures, the faculty member's supervisor or other designated evaluator may observe teaching activity. Faculty members may invite students not enrolled in the activity, faculty colleagues, and other presenters or visitors, with the following stipulations:

1. Students enrolled in the instructional activity should be informed and consulted about such visitors in a timely way.
2. When arranging to bring external visitors to the college, faculty members should inform or consult their supervisors as appropriate.

When the college has a formal partnership or contractual relationship with an external organization, such agreements commonly include provisions for evaluation of the program. When observation of instructional activity is part of a plan agreed to by the college and an external organization, the observation will be designed to avoid interference with instructional aims. Observations conducted for purposes of program evaluation will not be used in evaluation of individual faculty. Faculty and students or prospective students will be informed of such program evaluation plans at the outset of the program and will receive advance information about specific observational visits.

When the college invites individuals to visit academic programs to introduce them to the college, the visitor will observe instructional activity only when such a visit is agreed to in advance by the faculty member, in consultation with students, and the program administrator.

If visitors offer unsolicited evaluative comments or written reports, these will not be considered in evaluation of the individual faculty member.

Individuals wishing to visit the college, e.g., community members, legislators, representatives of organizations with which the college has no formal relationship, should be referred to the appropriate administrator.

WITHDRAWING FROM A COURSE PROCEDURE
If personal concerns or work demands make it difficult or impossible for a student to continue with a course after it has started, the student needs to alert his or her course instructor as soon as possible. Sometimes alternative arrangements can be made, such as an incomplete.

If alternative arrangements cannot be made, then the student will need to withdraw from the course. To withdraw from a course, the student should submit the Withdrawal Form (http://www.esc.edu/Withdraw/) to the Office of the Registrar after having discussed this with his or her course instructor and academic advisor.

It is important for the student to note that he or she may be eligible for a refund for all or part of the tuition paid for the course depending on the date of withdrawal notification. (Please refer to the Withdrawal Liability Chart and Refund Policy located elsewhere in this catalog.) Withdrawals may affect current and subsequent financial aid eligibility and satisfactory academic progress. (Please refer to the Satisfactory Academic Progress Policy located elsewhere in this catalog.)

WITHDRAWING FROM THE PROGRAM PROCEDURE
For a number of different reasons, students occasionally find that their academic program is not appropriate for them and they decide to withdraw. Before withdrawing, the student is encouraged to contact his or her academic advisor to discuss the matter. The student may only need a leave of absence from the program so as to catch up on work responsibilities or respond to family demands. The academic advisor also may help the student if he or she wants advice about other Empire State College graduate programs more suited to his or her particular interests or needs. If the student does decide to withdraw, he or she should notify graduate student services at Grad.Services@esc.edu. Graduate student services will notify the student’s academic advisor, end the advisor assignment and forward the request to the Office of the Registrar for processing.
